

# Zoning Changes

---

## Application Requirements

All applications must include the following:

1. Complete the application form including the appropriate signatures.
2. Include a detailed statement describing the proposal and how it meets all requirements of the appropriate State rules and statutes, and County codes and Comprehensive Plan policies. Text amendment applications must include the proposed language and the basis for the change.
3. If multiple properties are involved in this application, then identify each property on a separate page and follow with the property owners' signatures.
4. Submit the correct application fee.
5. Submit a copy of the current deed(s) for the property(ies).

**A PRE-APPLICATION APPOINTMENT IS REQUIRED FOR ALL AMENDMENTS**
