

BEND, OR

JUNE 17-18

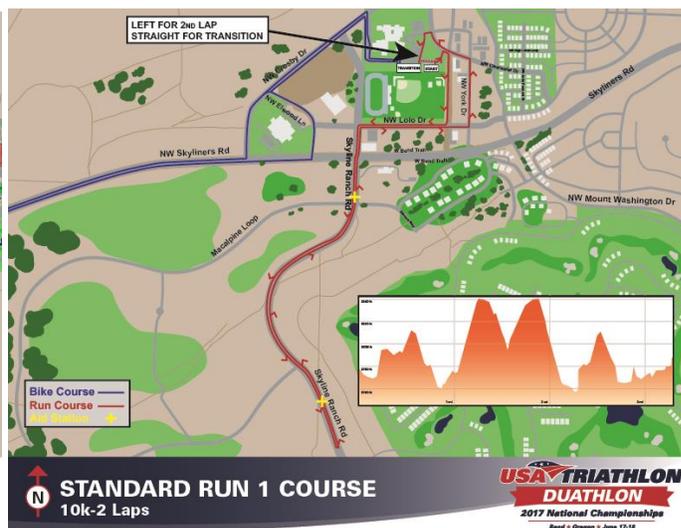

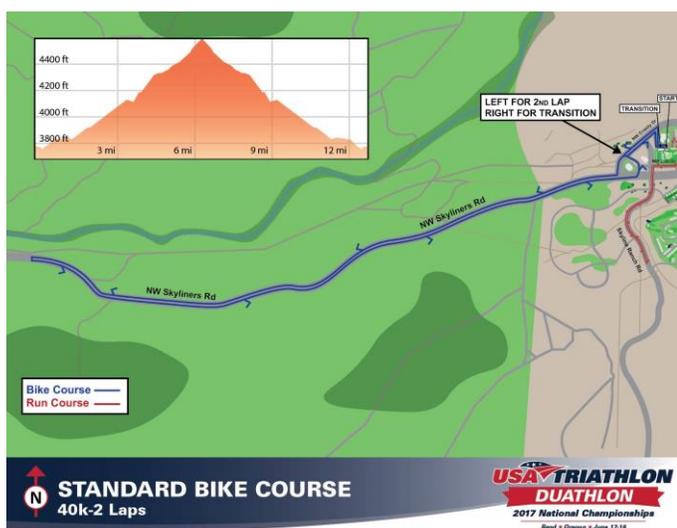

USA TRIATHLON

DUATHLON

2017 National Championships

USA Triathlon's Duathlon National Championships are once again taking place in Bend, OR! Sprint and Standard races will be hosted on June 17, while the Draft-Legal Sprint race will take place on June 18, 2017, with Summit High School serving as the hub for all race-day activity. 2016 included the highest participation in the past 4 years, with the race pulling athletes from 45 states! In 2017, we expect all 50 states to be represented by the best run-bike-run athletes in the nation. USA Triathlon will offer three distances for the event — a standard distance 10k run, 40k bike and 5k run, a 5k run, 20k bike, 2.5k run for the non-draft sprint distance, and a 5k run, 20k bike, 2.5k run for the draft-legal sprint distance. **Racing is scheduled to begin at 7:30am on Saturday, June 17 and continue until 4:30pm. On Sunday, June 18, racing will begin at 7:30am and continue until 12:00pm.**

Due to this exciting event, there will be road closures and detours. There will be signage notifying the detour routes and closures, and they are also listed below.

Saturday, June 17 & Sunday, June 18 – Note that the road closures below will apply to both days, with the length (time) of closures varying by day.

For residents in Macalpine Loop, no access will be permitted into the subdivision via Skyliners Road. Additionally, the northern entrance to the subdivision closest to the intersection of Skyline Ranch Road/Skyliners Road will also be closed. All residents should enter the area via Mt. Washington Drive and then proceed to the southern entrance. As residents approach the intersection of Broken Top Drive and Skyline Ranch Road, a queue system will be utilized by Certified Flaggers to get residents living on Macalpine Loop in and out of their residences.

All residents living in Tetherow will not be permitted to exit the area via Skyline Ranch Road to Skyliners Road. Residents must exit utilizing alternative routes either to the south of Tetherow or east of Tetherow.

For residents on the western side of the bike course on Skyliners Road, a one lane queue system will be operated by Certified Flaggers and Bend PD motorcycles in order to get residents in and out of their homes. While utilizing this queue system, there will only be one lane of vehicular traffic at any given time. Please be patient as delays will be present. The same queue system will be utilized when residents wish to return to their homes – this will begin at the intersection of Skyliners Road and Skyline Ranch Road.

For residents that have homes on the course on Skyliners Road, there will be either a Certified Flagger or volunteer to assist you in entering and exiting your home. It is vital that said residents heed the direction of the Certified Flagger/volunteer to know when it is safe to exit and enter their home as they will be crossing two lanes of bike traffic. Overall coordination will be managed by Certified Flaggers and Bend PD motorcycle officers.

Bike Road Closures/Detours

- Skyliners Road from Skyline Ranch Road to approximately one mile past NF 300 (note there will be one queued vehicular lane throughout this stretch of road monitored by Certified Flaggers and Bend PD motorcycles – please allow additional time as delays are likely. Access to Tumalo Falls is permitted by all are encouraged to plan trips to Tumalo Falls for days other than Saturday)
- NW Crossing Drive from Skyline Ranch Road to NW Crosby Drive
- NW Crosby Drive from Skyliners Road to NW Discovery Park Drive

Run Road Closures/Detours

- NW Clearwater Drive from NW York Drive/Entrance and Exit to Summit HS to NW Charbonneau Street
- Discovery Trail from NW Clearwater Drive to NW Lolo Drive
- NW Lolo Drive from NW Crossing to NW York Drive (note that this stretch will still remain open to westbound and eastbound vehicular traffic. This stretch will also have two way run traffic delineated by cones. This will allow vehicular traffic to flow as normal, businesses to stay open, and run traffic to operate safely)
- NW York Drive from NW Lolo Drive to NW Clearwater Drive (Note that the eastern half of NW York Drive will still remain open for northbound and southbound traffic. This stretch will also have one-way run traffic delineated by cones. This will allow vehicular traffic to flow as normal, businesses to stay open, and run traffic to operate safely)
- NW Crossing Drive from NW Lolo Drive to Skyliners Road
- Skyline Ranch Road from Skyliners Road to Broken Top Drive (note that Broken Top Drive/Hosmer Lake Drive will still be open for vehicle access from Skyline Ranch Road, and that residents of the Macalpine Loop will need to enter/exit through the southern access point and will be queued in/out by certified flaggers through a vehicular access lane)
