## **AGENDA REQUEST & STAFF REPORT**

### **For Board Business Meeting of June 10, 2015**

---

**DATE:** June 03, 2015

**FROM:** Nancy Mooney, Contract Specialist, Deschutes County Health Services, 322-7516

**TITLE OF AGENDA ITEM:**

Consideration of Board Signature of Document #2015-315, Intergovernmental Financial Agreement Award #147787 between Deschutes County Health Services, Behavioral Health Division and the Oregon Health Authority for the financing of Community Addictions and Mental Health Services for year 2015-2017.

**PUBLIC HEARING ON THIS DATE?** No.

**BACKGROUND AND POLICY IMPLICATIONS:**

The Oregon Health Authority (OHA) was created by the 2009 Oregon legislature to bring most health-related programs in the state into a single agency to maximize its purchasing power; the attached Intergovernmental Agreement (#147787) outlines the services and financing for the Health Services Department, Behavioral Health Division, for the 2015-2017 fiscal years.

OHA is at the forefront of lowering and containing costs, improving quality and increasing access to health care in order to improve the lifelong health of Oregonians.

OHA knows what it needs to do to improve health care: focus on health and preventive care, provide care for everyone and reduce waste in the health care system. OHA includes most of the state's health care programs, including Public Health, the Oregon Health Plan, Healthy Kids, employee benefits and public-private partnerships. This gives the state greater purchasing and market power to begin tackling issues with costs, quality, lack of preventive care and health care access.

OHA is working to fundamentally improve how health care is delivered and paid for, but because poor health is only partially due to lack of medical care, OHA will also be working to reduce health disparities and to broaden the state's focus on prevention.

The Health Authority will transform the health care system in Oregon by:

- Improving the lifelong health of Oregonians
- Increasing the quality, reliability, and availability of care for all Oregonians
- Lowering or containing the cost of care so it's affordable to everyone

Deschutes County Health Services was formed in 2009 as a consolidation of the County's Health Department and Mental Health Department. The department offers services at more than 40 locations in Deschutes County including public schools; health clinics in Bend, La Pine, Redmond and Sisters; five school-based health clinics; agencies such as the KIDS Center and the State of Oregon Department of Human Services; area hospitals; care facilities and homes.

Deschutes County Behavioral Health helps County residents facing serious mental health and addiction issues. Priority populations include Oregon Health Plan members, uninsured County residents with nowhere else to turn and people in crisis, who are often in unstable situations or are a danger to themselves or others. The department also coordinates services for County residents in care at the State Hospital or served through

other agencies or facilities. These services assist people in need, alleviate community problems, promote client health and prevent more costly care and intervention.

**FISCAL IMPLICATIONS:**

Compensation for each service element is outlined on pages 148 through 154 of the Intergovernmental Agreement. Maximum compensation is estimated at \$1,219,234 for alcohol and drug treatment services and \$10,765,820 for behavioral health services.

**RECOMMENDATION & ACTION REQUESTED:**

Approval and signature of Document #2015-315, Intergovernmental Financial Agreement Award #147787 between Deschutes County Health Services, Behavioral Health and the Oregon Health Authority is requested.

**ATTENDANCE:** DeAnn Carr, Department Deputy Director

**DISTRIBUTION OF DOCUMENTS:** E-Mail (tami.j.goertzen@state.or.us) Tami Goertzen, signed Page 2 of the agreement, a completed page 192. "Notices" of Exhibit F, and the signed Document Return Statement. Original documents to Nancy Mooney at Health Services.

Service Name: **Peer Delivered Services**

Service ID Code: **A&D 63**

## **1. Service Description**

For the purpose of A&D 63, Recovery Center, Facilitating Center, Peer Delivered Services, and Peer Support Specialist have the following meanings:

**Recovery Centers** are comprised of and led by people in recovery from Substance Use Disorders, as defined in OAR 309-019-0105(97). The centers maintain a structured daily schedule of activities where peer support services may be delivered. These centers serve as recovery resources for the local community.

**Facilitating Centers** serve as “mentor sites” providing ongoing technical assistance and training for the Recovery Centers. Facilitating Centers provide structure and support for developing and sustaining Recovery Centers. People in recovery will be involved in every aspect of program design and implementation. Facilitating Centers must use curricula approved by OHA.

**Peer Delivered Services** means an array of agency or community-based services and supports provided by peers and Peer Support Specialists, to individuals or family members with similar lived experience, that are designed to support the needs of individuals and families as applicable as they progress through various stages in their recovery from Substance Use Disorders. Peer Delivered Services include, but are not limited to:

**Emotional support.** Emotional support refers to demonstrations of empathy, caring, and concern that enhance self-esteem and confidence. Peer mentoring, peer coaching, and peer-led support groups are examples of peer-to-peer recovery services that provide emotional support.

**Informational support.** Informational support refers to sharing knowledge, information and skills. Peer led life skills training, job skills training, educational assistance, and health and wellness information are examples of informational support.

**Instrumental support.** Instrumental support services include modeling and peer-assisted daily-life tasks that people with serious addiction histories in early recovery are often incapable of doing on their own having never attained these skills. Examples include navigating transportation to support groups, accessing quality child care, completing job applications, locating safe alcohol and drug free housing, obtaining vocational, educational, and self-sufficiency supports, and navigating social service programs. Affiliation support helps people in recovery establish positive connections with others in recovery. This support helps people in early recovery establish a positive peer culture that prevents re-affiliation with negative peer cultures such as former associates who are not in recovery and people who are actively engaged in criminal behavior.

**Family support.** Family support includes educational, informational and affiliation services for family members with relatives (as identified by the family) who are in recovery from Substance Use Disorders. These services are designed to help families develop and maintain positive relationships, improve family functioning, increase understanding of recovery processes and build connections among family members for mutual support.

**Peer Support Specialists** are individuals as defined in OAR 309-019-0105(70); as such rules may be revised from time to time. Peer Support Specialists are compensated for delivering Peer Delivered Services. Peer Support Specialists must comply with all training requirements in accordance with OAR 410-180-0300 through 410-180-0380.

**Target Population:** Individuals with Substance Use Disorders and who are seeking recovery are the target population (Target Population).

## 2. Performance Requirements and Quality Measures

County shall use the funds awarded through this Agreement to provide Peer Delivered Services in a manner that benefits the Target Population. The Peer Delivered Services must be delivered at Recovery Centers or in communities by Peer Support Specialists.

- i. Have well established mutually supportive relationships with key stakeholders.

- k. Have well documented governance, fiscal, and risk management practices to support its efforts.
- l. Are based on identified community and individual strengths and needs including cultural and population characteristics.

- m. Are culturally responsive and geographically accessible.
- n. Are delivered by Peer Support Specialists who maintain policies and procedures that facilitate and document accessibility to a full range of services.

The quality of the Peer Delivered Services supported with funds provided through this Agreement will be measured in accordance with the criteria set forth herein. These criteria are applied on a county-wide basis each calendar quarter (or portion thereof) during the period for which the funds are awarded for Peer Delivered Services under this Agreement. Providers employing Peer Support Specialists must develop and implement quality assurance or quality improvement processes to improve, progressively as measured by the criteria set forth herein, the quality of Peer Delivered Services supported by funds provided through this Agreement. Service Name: **PREVENTION SERVICES**

Service ID Code: **A&D 70**

## **1. Service Description**

Prevention Services (A&D 70) are integrated strategies designed to prevent substance abuse and associated effects, regardless of the age of participants. They are designed to reduce risk factors and increase protective factors associated with substance abuse. A&D 70 Services fall within one of the four prevention categories of the Institute of Medicine (IOM) Continuum of Care. The IOM prevention categories include promotion, universal, selective, and indicated prevention. Promotion and universal prevention addresses the entire population with messages and programs aimed at prevention or delaying the use of alcohol, tobacco and other drugs. Selective prevention targets subsets of the total population that are deemed to be at risk for substance abuse by virtue of membership in a particular population segment. Indicated prevention is designed to prevent the onset of substance abuse in individuals who do not meet criteria for addiction but who are showing elevated levels of risk and early danger signs.

A&D 70 Services are implemented through one or more of the Center for Substance Abuse Prevention's (CSAP) six strategies. Examples of services in each strategy include:

- a. Information Dissemination - media campaigns;
- b. Prevention Education - school curricula and parenting education and skill building;
- c. Alcohol, Tobacco & Other Drug (ATOD) Free Alternatives - youth leadership and community service projects;
- d. Community Based Processes - community coalitions (e.g., Communities That Care);
- e. Environmental/Social Policy - school policies and community laws concerning alcohol, tobacco and other drugs; and
- f. Problem Identification and Referral - student assistance programs.

## **2. Performance Requirements**

Prevention Providers, as defined in OAR 415-056-0035, providing A&D 70 Services must comply with OAR 415-056-0030 through 415-056-0050, and must have a current Letter of Approval (LOA) issued by OHA's Addictions and Mental Health Division. County shall submit electronically to AMH at [amhcontract.administrator@state.or.us](mailto:amhcontract.administrator@state.or.us), for approval, a Biennial Prevention Plan (the "Prevention Plan") which details services to be provided. Services must align with the OHA Behavioral Health Strategic Plan by including as many of the CSAP Prevention Strategies as possible (Prevention Education, Information Dissemination, Community Based Processes, Problem Identification and Referral, Alternative Activities and Environmental Strategies). Strategies must focus on

the overall goal of reducing the use of alcohol, tobacco and other drugs. The OHA Behavioral Health Strategic Plan can be found at <http://www.oregon.gov/oha/amh/Pages/index.aspx>.

The Prevention Plan must incorporate the Strategic Prevention Framework (SPF), which provides an effective, comprehensive prevention process and a common set of goals to be adopted and integrated at all levels. This process is built upon state and local data assessment, building capacity, development of a comprehensive strategic plan, implementation of evidence-based strategies, and evaluation of work.

The major focus of the Prevention Plan should be on change for entire populations, or collections of individuals who have one or more personal or environmental characteristics in common. Population-based public health considers an entire range of factors that determine health. The Prevention Plan must infuse data in decisions made across all steps. Deliberate processes to collect, analyze, interpret and apply lessons from data will help drive state prevention efforts.

The financial assistance awarded to County in the subsequent biennium for A&D 70 Services, will in part depend upon achievement of the goals and outcomes set forth in the Prevention Plan. In the event of a conflict or inconsistency between the provisions of the Prevention Plan and provisions of this Service Description, the provisions of this Service Description shall control.

to MHS 37 Special Projects Service Description  
MHS Special Projects**

**1. Service Description**

Young Adult Hub Programs are an array of agency or community-based services and supports provided to young adults 14 through 24 years of age with mental health conditions who:

- a. have been chronically involved in state systems of mental health care and who are in need of intensive community supports; and
- b. whose mental health diagnosis is impacting their ability to be successful in age appropriate activities, or has led to interface with the criminal justice system, and
- c. are unlikely to access services through an outpatient program or are not clinically appropriate for other services such as Assertive Community Treatment or Early Assessment and Support Alliance services.

Young adults who are served in Psychiatric Residential Treatment Services, Secure Adolescent Inpatient Program, and Young Adults in Transition residential programs will be prioritized for admission to Young Adult Hub programming. This special project is for services such as outreach, engagement, and community supports. These services may be used to serve and support young adults who are not Medicaid eligible and who have no other resources to pay for services.

**2. Performance Requirements**

County shall use the funds awarded through this Agreement to implement the MHS 37-YAHP project to the target population described in Section 1., “Service Description” above for the following services:

- a. Provide outreach, engagement, recovery oriented, young adult centered planning and creation of social support systems;

Such resources may include supported employment, housing, educational support, primary care, psychiatric services, addictions services, navigation of outside supports and services, and family finding through the use of a family finding service, among others.

Participation in this statewide learning collaborative may also require participation in training and technical assistance designated by OHA and endorsed by the YAHP Learning Collaborative.

A YAHP Learning Collaborative is representative of all of the YAHP sites and key partners gathering monthly to identify success and concerns, and with the primary goal of improving the services and the systems of care for Young Adults in Transition.

- f. YAHP services shall incorporate at least the philosophy and ideally the practice of the Transition to Independence Process (TIP) Model of support for Young Adults in Transition.

The TIP model is an evidence-supported practice based on published studies that demonstrate improvements in real-life outcomes for youth and young adults with emotional and behavioral difficulties. The TIP model is operationalized through seven guidelines that drive practice-level activities with young people and provide a framework for program and community systems to support, facilitate, and sustain this effort (Clark & Foster-Johnson, 1996; Clark, Deschenes, & Jones, 2000; Clark & Unruh, 2009). Please refer to the TIP model guidelines as follows:

- (1) Engage young people through relationship development, person-centered planning, and a focus on their futures.
- (2) Tailor services and supports to be accessible, coordinated, appealing, non-stigmatizing, and developmentally-appropriate and building on strengths to enable the young people to pursue their goals across relevant transition domains.
- (3) Acknowledge and develop personal choice and social responsibility with young people.
- (4) Ensure a safety net of support by involving a young person's parents, family members, and other informal and formal key players.
- (5) Enhance young persons' competencies to assist them in achieving greater self-sufficiency and confidence.
- (6) Maintain an outcome focus in the Young Adult Hub Program at the young person, program, and community levels,
- (7) Involve young people, parents, and other community partners in the services and the system at the practice, program, and community levels.

## EXPLANATION OF FINANCIAL ASSISTANCE AWARD

The Financial Assistance Award set forth above and any Financial Assistance Award amendment must be read in conjunction with this explanation for purposes of understanding the rights and obligations of OHA and County reflected in the Financial Assistance Award.

### 1. Format and Abbreviations in Financial Assistance Award

- a. **Heading.** The heading of the Financial Assistance Award consists of the following information (1) County name, (2) the identification number of the Agreement of which the Financial Assistance Award is a part, and (3) the date of the Financial Assistance Award (which should be on or about the date of this Agreement). The Financial Assistance Award is then broken down by Program Area, with all Services in a particular Program Area that are awarded funds grouped together under the Program Area heading. The Financial Assistance Award may also be labeled as Section 1. This Section designation has no relevance to the original Financial Assistance Award and should be ignored. The Financial Assistance Award also contains a reference number which is used for administrative tracking purposes only and has no legal significance.
- b. **Financial and Service Information.** Each Service awarded funds is listed by its Service number and name (full or abbreviated). The amount of financial assistance awarded for the Service and certain other Service information is listed below the Service number and name on one or more lines. Financial assistance awarded for a particular Service may not be used to cover the costs of any other Service, except as permitted by section 3.a of Exhibit E of this Agreement. The funds set forth on a particular line will be disbursed in accordance with and are subject to the restrictions set forth on that line. The awarded funds, disbursement information and restrictions on a particular line are displayed in a columnar format as follows:
  - (1) **Column 1, Part:** This column will contain the character A, B or C to indicate the method by which OHA will disburse the awarded funds. The disbursement method indicated in this column will usually be consistent with the disbursement method set forth in the Service Description for the particular Service. Occasionally, a disbursement method different than that set forth in the Service Description is necessary. And if a disbursement method specified in this column is different than the method set forth in the Service Description, the method specified in this column shall control. This column only identifies the disbursement method and is not relevant to determining whether County is ultimately entitled to payment. Payment entitlement is determined in accordance with the basis of payment set forth in the applicable Service Description and any disbursements to County in excess of the payments County is entitled to, as determined in accordance with the applicable basis of payment and through the Agreement Settlement process, will be recovered by OHA in accordance with the terms of this Agreement. The characters A, B and C signify the following disbursement methods:

- (a) The character A means OHA will disburse the awarded funds to County in substantially equal monthly allotments during the period set forth in column 2.
  - (b) The character B means the funds are disbursed and paid under another agreement and are set forth in this Agreement for tracking purposes.
  - (c) The character C means OHA will disburse the awarded funds in the manner specified in column 9.
- (2) **Column 2, Start/End dates:** These dates specify the period during which it is expected that the Service or Service capacity, as applicable, will be delivered utilizing the approved service funds set forth on that line of the Financial Assistance Award. For purposes of disbursement method A (described above), these dates also specify the period during which the approved service funds will be disbursed to County.
  - (3) **Column 3, Client Code:** When a Client Code appears in this column the approved service funds set forth on that line of the Financial Assistance Award may only be expended on the delivery of the specified Service to the specified individual. When the approved service funds are not intended for any particular individual, an N/A designation will appear in this column.
  - (4) **Column 4, Approved Service Funds:** This is the amount awarded for delivery of the Service and is OHA's maximum obligation during the period specified on that line in support of the Services described on that line of the Financial Assistance Award
  - (5) **Column 5, Approved Start-up:** If funds appear in this column they may only be used to cover one-time expenses incurred in initiating, expanding or upgrading the specified Service or for other special one-time expenses related to the Service. Start-up funds may only be spent for the purposes specified in the special conditions appearing in column 9. Start-up funds may only be expended in accordance with Exhibit J of this Agreement and with start-up procedures within the applicable Service Elements.
  - (6) **Column 6, Service Units:** This is the amount of Service or Service capacity, as applicable, that OHA anticipates County to deliver during the period specified and utilizing the approved Service funds set forth on that line of the Financial Assistance Award. The Service or Service capacity, as applicable, must be delivered in relatively equal amounts over the course of the period specified on that line of the Financial Assistance Award. This column will read zero if the basis of payment set forth in the applicable Service Description is not tied to actual delivery of Services or Service capacity. This column must be read in conjunction with column 7.
  - (7) **Column 7, Unit Type:** The unit type is the unit of measurement associated with the Service units set forth in column 6. The unit types are expressed in three character designations that have the following meanings:

- (a) **CSD:** One CSD (or Client Service Day) is one day of Service or Service capacity, as applicable, delivered to one individual or made available for delivery to one individual, as applicable.
  - (b) **N/A:** N/A means unit type is not applicable to the particular line
  - (c) **SLT:** One SLT (or Slot) is the delivery or capacity to deliver, as applicable, the Service to an individual during the entire period specified in the corresponding line of the Financial Assistance Award.
- (8) **Column 8, Exhibit B-2 Codes:** The codes appearing in this column correspond to the Specialized Service Requirement Codes for the Specialized Service Requirements described in Exhibit B-2. If a Specialized Service Requirement Code appears in this column, the Service must be delivered in accordance with the Specialized Service Requirements when the Service is delivered with approved service funds set forth on that line of the Financial Assistance Award.
- (9) **Column 9, Special Conditions:** These are the special conditions, if any, that must be complied with when providing the Service using approved service funds set forth on that line of the Financial Assistance Award. For certain Services, the special conditions specify the rate at which financial assistance will be calculated for delivery of that Service or delivery of capacity for that Service. The special conditions are identified by an alphanumeric code. A table or tables listing the special conditions by alphanumeric code is included in the Financial Assistance Award.

**2. Format and Abbreviations in Financial Assistance Award Amendments.** The format and abbreviations in a Financial Assistance Award amendment are the same as those used in the initial Financial Assistance Award. If a Financial Assistance Award amendment amends the financial and service information in the Financial Assistance Award, each financial and service information line in the amendment will either amend an existing line in the financial and service information of the Financial Assistance Award or constitute a new line added to the financial and service information of the Financial Assistance Award. A financial and service information line in a Financial Assistance Award amendment (an “Amending Line”) amends an existing line of the Financial Assistance Award (a “Corresponding Line”) if the line in the Financial Assistance Award amendment awards funds for the same Service, specifies the same CPMS Name (if applicable), and specifies the same Exhibit B-2 code as an existing line (as previously amended, if at all) in the Financial Assistance Award and specifies a date range falling within the date range specified in that existing line (as previously amended, if at all). If an Amending Line has a positive number in the approved service funds column, those funds are added to the approved service funds of the Corresponding Line for the period specified in the Amending Line. If an Amending Line has a negative number in the approved service funds column, those funds are subtracted from the approved service funds of the Corresponding Line for period specified in the Amending Line. If an Amending Line has a positive number in the service units column, those service units are added to the service units in the Corresponding Line for the period specified in the Amending Line. If an Amending Line has a negative number in the service units column, those units are subtracted from the service units in the Corresponding Line for the period

specified in the Amending Line. All Special Conditions identified in a Corresponding Line apply to funds identified on an Amending Line (unless a Special Condition or portion thereof on an Amending Line specifies a rate). If an Amending Line contains a Special Condition or portion of a Special Condition that specifies a rate, that Special Condition or portion thereof replaces, for the period specified in the Amending Line, any Special Condition or portion thereof in the Corresponding Line that specifies a rate. If a financial and service information line in a Financial Assistance Award amendment is not an Amending Line, as described above, it is a new line added to the Financial Assistance Award.

Disbursement procedures may vary by Service.
    - (1) Disbursement of Financial Assistance Awarded for Services in Financial Assistance Award.** As set forth in the Service Description for a particular Service, OHA will generally disburse financial assistance that is described in the Financial Assistance Award to County in monthly allotments in advance of actual delivery of the Service.
    - (2) Disbursements Remain Subject to Recovery.** All disbursements of financial assistance under this Agreement, including disbursements made directly to Providers, remain subject to recovery from County, in accordance with Section 1.c.(1), as an Underexpenditure, Overexpenditure or Misexpenditure.
  - b. Conditions Precedent to Disbursement.** OHA's obligation to disburse financial assistance to County under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:
    - (1)** No County default as described in Section 6 of Exhibit F has occurred.
    - (2)** County's representations and warranties set forth in Section 4 of Exhibit F are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.
  - c. Recovery of Financial Assistance.**
    - (1) Notice of Underexpenditure, Overexpenditure.** If OHA believes there has been an Underexpenditure or Overexpenditure (as defined in Exhibit A) of moneys disbursed under this Agreement, OHA shall provide County with written notice thereof with a detailed spreadsheet providing supporting data of an under or over expenditure and OHA and County shall engage in the process described in Section 1.c.(2) below. If OHA believes there has been a Misexpenditure (as defined in Exhibit A) of moneys disbursed to County under this Agreement, OHA shall provide County with written notice thereof and OHA and County shall engage in the process described in Section 1.c.(3) below.
    - (2) Recovery of Underexpenditure or Overexpenditure.**
      - (a) County's Response.** County shall have 90 calendar days from the effective date of the notice of Underexpenditure or

Overexpenditure to pay OHA in full or notify OHA that it wishes to engage in the appeals process set forth in Section 1.c.(2)(b) below. If County fails to respond within that 90 day time period, County shall promptly pay the noticed Underexpenditure or Overexpenditure.

- (b) **Appeals Process.** Upon receipt of the final notice, if County notifies OHA that it wishes to engage in the appeals process, County and OHA shall engage in non-binding discussions to give the County an opportunity to present reasons why it believes that there is no Underexpenditure or Overexpenditure, or that the amount of the Underexpenditure or Overexpenditure is different than the amount identified by OHA, and to give OHA the opportunity to reconsider its notice. County and OHA may negotiate an appropriate apportionment of responsibility for the repayment of an Underexpenditure or Overexpenditure. At County request, OHA will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for repayment of an Underexpenditure or Overexpenditure. In determining an appropriate apportionment of responsibility, County and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and County reach agreement on the amount owed to OHA, County shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.(2)(c) below. If OHA and County continue to disagree as to whether there has been an Underexpenditure or Overexpenditure or as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, arbitration. If both parties do not agree to further dispute resolution, the parties shall proceed with the Recovery of Underexpenditure or Overexpenditure procedures described in Section 1.c.(2)(c).
- (c) **Recovery From Future Payments.** To the extent that OHA is entitled to recover an Underexpenditure or Overexpenditure pursuant to Section 1.c.(2), OHA may recover the Underexpenditure or Overexpenditure by offsetting the amount thereof against future amounts owed to County by OHA, including, but not limited to, any amount owed to County by OHA under any other contract or agreement between County and OHA, present or future. OHA shall provide County written notice of its intent to recover the amount of the Underexpenditure or Overexpenditure from amounts owed County by OHA as set forth in this Section, and shall identify the amounts owed by OHA which OHA intends to offset, (including the contracts or agreements, if any, under which the amounts owed arose and from

those from which OHA wishes to deduct payments). County shall then have 14 calendar days from the date of OHA's notice in which to request the deduction be made from other amounts owed to County by OHA and identified by County. OHA shall comply with County's request for alternate offset. In the event that OHA and County are unable to agree on which specific amounts, owed to County by OHA, OHA may offset in order to recover the amount of the Underexpenditure or Overexpenditure, then OHA may select the particular contracts or agreements between OHA and County and amounts from which it will recover the amount of the Underexpenditure or Overexpenditure, after providing notice to the County and within the following limitations: OHA shall first look to amounts owed to County (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to County by OHA. In no case, without the prior consent of County, shall OHA deduct from any one payment due to County under the contract or agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Underexpenditure or Overexpenditure.

(3) **Recovery of Misexpenditure.**

- (a) If OHA believes there has been a Misexpenditure (as defined in Exhibit A Definitions) or money disbursed to County under this Agreement, OHA shall provide to County a written notice of recovery with a detailed spreadsheet providing supporting data of the Misexpenditure attached and OHA and County shall engage in the process described in Section 1.c.(3)(c).
- (b) **County's Response.** From the effective date of the notice of Misexpenditure, County shall have the lesser of (1) 60 calendar days, or (2) if a Misexpenditure relates to a federal government request for reimbursement, 30 calendar days fewer than the number of days (if any) OHA has to appeal a final written decision from the federal government, to either:
  - i. Make a payment to OHA in the full amount of the noticed Misexpenditure identified by OHA; or
  - ii. Notify OHA that County wishes to repay the amount of the noticed Misexpenditure from future payments pursuant to Section 1.c.(3)(d). below; or
  - iii. Notify OHA that it wishes to engage in the applicable appeal process set forth in Section 1.c.(3)(c). below.

If County fails to respond within the time required by this Section, OHA may recover the amount of the noticed Misexpenditure from future payments as set forth in Section 1.c.(3)(c). below.

(c) **Appeal Process.** If County notifies OHA that it wishes to engage in an appeal process with respect to a noticed Misexpenditure, the parties shall comply with the following procedures, as applicable:

i. **Appeal from OHA-Identified Misexpenditure.** If OHA’s notice of Misexpenditure is based on a Misexpenditure solely of the type described in Section 20(b) or (c) of Exhibit A, County and OHA shall engage in the process described in this Section to resolve a dispute regarding the noticed Misexpenditure. First, County and OHA shall engage in non-binding discussions to give the County an opportunity to present reasons why it believes that there is, in fact, no Misexpenditure or that the amount of the Misexpenditure is different than the amount identified by OHA, and to give OHA the opportunity to reconsider its notice. County and OHA may negotiate an appropriate apportionment of responsibility for the repayment of a Misexpenditure. At County request, OHA will meet and negotiate with County in good faith concerning appropriate apportionment of responsibility for repayment of a Misexpenditure. In determining an appropriate apportionment of responsibility, County and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and County reach agreement on the amount owed to OHA, County shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.(3)(d) below. If OHA and County continue to disagree as to whether there has been a Misexpenditure or as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, arbitration.

ii. **Appeal from Federal-Identified Misexpenditure.**

A. If OHA’s notice of Misexpenditure is based on a Misexpenditure of the type described in Section 20(a) of Exhibit A Definitions and the relevant federal agency provides a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds, and if the disallowance is not based on a federal or state court judgment founded in allegations of Medicaid fraud or abuse, then County may, prior to 30 days prior to the applicable

federal appeals deadline, request that OHA appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the process established or adopted by the federal agency. If County so requests that OHA appeal the determination of improper use of federal funds, federal notice of disallowance or other federal identification of improper use of funds, the amount in controversy shall, at the option of County, be retained by the County or returned to OHA pending the final federal decision resulting from the initial appeal. If the County does request, prior to the deadline set forth above, that OHA appeal, OHA shall appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the established process and shall pursue the appeal until a decision is issued by the Departmental Grant Appeals Board of the Department of Health and Human Services (the "Grant Appeals Board") pursuant to the process for appeal set forth in 45 C.F.R. Subtitle A, Part 16, or an equivalent decision is issued under the appeal process established or adopted by the federal agency. County and OHA shall cooperate with each other in pursuing the appeal. If the Grant Appeals Board or its equivalent denies the appeal then either County, OHA, or both may, in their discretion, pursue further appeals. Regardless of any further appeals, within 90 days of the date the federal decision resulting from the initial appeal is final, County shall repay to OHA the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal) by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.(3)(d) below. To the extent that County retained any of the amount in controversy while the appeal was pending, the County shall pay to OHA the interest, if any, charged by the federal government on such amount.

- B. If the relevant federal agency does not provide a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds or County does not request that OHA pursue an appeal 30 days prior to the applicable federal appeals deadline, and

if OHA does not appeal, then within 90 days of the date the federal determination of improper use of federal funds, the federal notice of disallowance or other federal identification of improper use of funds is final County shall repay to OHA the amount of the noticed Misexpenditure by issuing a payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.(3)(d) below.

C. If County does not request that OHA pursue an appeal of the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds, prior to 30 days prior to the applicable federal appeals deadline but OHA nevertheless appeals, County shall repay to OHA the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal), within 90 days of the date the federal decision resulting from the appeal is final, by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.(3)(d). below.

D. Notwithstanding Section 1.c.(3)(b)(i) through iii., if the Misexpenditure was expressly authorized by a OHA rule or an OHA writing that applied when the expenditure was made, but was prohibited by federal statutes or regulations that applied when the expenditure was made, County will not be responsible for repaying the amount of the Misexpenditure to OHA, provided that:

(i) Where post-expenditure official reinterpretation of federal statutes or regulations results in a Misexpenditure, County and OHA will meet and negotiate in good faith an appropriate apportionment of responsibility between them for repayment of the Misexpenditure.

(ii) For purposes of this Section, an OHA writing must interpret this Agreement or an OHA rule and be signed by the Director of OHA or by the Assistant Director of Addictions and Mental Health Services Division.

OHA shall designate an alternate officer in the event the Addictions and Mental Health Services Division is abolished. Upon County request, OHA shall notify County of

the names of the individual officers listed above. OHA shall send OHA writings described in this paragraph to County by mail and email and to CMHP directors by email.

- (iii) The writing must be in response to a request from County for expenditure authorization, or a statement intended to provide official guidance to County or counties generally for making expenditures under this Agreement. The writing must not be contrary to this Agreement or contrary to law or other applicable authority that is clearly established at the time of the writing.
  - (iv) If OHA writing is in response to a request from County for expenditure authorization, the request must be in writing and signed by the director of a County department with authority to make such a request or by the County Counsel. It must identify the supporting data, provisions of this Agreement and provisions of applicable law relevant to determining if the expenditure should be authorized.
  - (v) An OHA writing expires on the date stated in the writing, or if no expiration date is stated, six years from the date of the writing. An expired OHA writing continues to apply to County expenditures that were made in compliance with the writing and during the term of the writing.
  - (vi) OHA may revoke or revise an OHA writing at any time if it determines in its sole discretion that the writing allowed expenditure in violation of this Agreement or law or any other applicable authority.
  - (vii) OHA rule does not authorize an expenditure that this Agreement prohibits.
- (d) **Recovery From Future Payments.** To the extent that OHA is entitled to recover a Misexpenditure pursuant to Section 1.c.(3)(c)(i) and (ii)., OHA may recover the Misexpenditure by offsetting the amount thereof against future amounts owed to County by OHA, including, but not limited to, any amount owed to County by OHA under this Agreement or any amount owed to County by OHA under any other contract or agreement between County and OHA, present or future. OHA shall provide County

written notice of its intent to recover the amount of the Misexpenditure from amounts owed County by OHA as set forth in this Section, and shall identify the amounts owed by OHA which OHA intends to offset (including the contracts or agreements, if any, under which the amounts owed arose and from those from which OHA wishes to deduct payments). County shall then have 14 calendar days from the date of OHA's notice in which to request the deduction be made from other amounts owed to County by OHA and identified by County. OHA shall comply with County's request for alternate offset. In the event that OHA and County are unable to agree on which specific amounts, owed to County by OHA, OHA may offset in order to recover the amount of the Misexpenditure, then OHA may select the particular contracts or agreements between OHA and County and amounts from which it will recover the amount of the Misexpenditure, after providing notice to the County, and within the following limitations: OHA shall first look to amounts owed to County (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to County by OHA. In no case, without the prior consent of County, shall OHA deduct from any one payment due County under the contract or agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Misexpenditure.

(4) **Additional Provisions related to parties' rights/obligations with respect to Underexpenditures, Overexpenditures and Misexpenditures.**

- (a) County shall cooperate with OHA in the Agreement Settlement process.
- (b) OHA's right to recover Underexpenditures, Overexpenditures and Misexpenditures from County under this Agreement is not subject to or conditioned on County's recovery of any money from any other entity.
- (c) If the exercise of OHA's right to offset under this provision requires the County to complete a re-budgeting process, nothing in this provision shall be construed to prevent the County from fully complying with its budgeting procedures and obligations, or from implementing decisions resulting from those procedures and obligations.
- (d) Nothing in this provision shall be construed as a requirement or agreement by the County to negotiate and execute any future contract with OHA.
- (e) Nothing in this Section shall be construed as a waiver by either party of any process or remedy that might otherwise be available.

2. **Use of Financial Assistance.** County shall use the financial assistance disbursed to County under this Agreement solely to cover actual Allowable Costs reasonably and necessarily incurred to deliver Services during the term of this Agreement.

3. **Award Adjustments**

- a. County may use funds awarded in a Program Area to cover actual Allowable Costs reasonably and necessarily incurred to deliver Services in that Program Area, from the effective date of this Agreement through the termination or expiration of this Agreement. In addition to the financial assistance provided to County under this Agreement expressly for those Services, up to 10 percent of the aggregate financial assistance awarded to County at the time the use occurs (as such award is reflected in the Financial Assistance Award without giving effect to any prior adjustments under this Section 3 and other than from Federal Funds) County may use funds for other Services in that Program Area (other than financial assistance provided to County for MHS 26, MHS 27, MHS 37 , A&D 61, A&D 60, A&D 80, A&D 81, and A&D 82 which is not subject to this 10 percent use adjustment). If County uses financial assistance described in the Financial Assistance Award in reliance on this Section 3.a, County shall promptly notify in writing of such use.
- b. Financial Assistance disbursed to County under this Agreement that County would be entitled to retain if used prior to the termination or expiration of this Agreement (as calculated in accordance with the methodologies set forth in the applicable Service Descriptions), may be retained by County even if not used prior to the termination or expiration of this Agreement provided that other provisions of this Agreement do not require the financial assistance to be used by County prior to termination or expiration of this Agreement and provided further that County uses the financial assistance solely to deliver future Services for the purpose it was originally awarded.

4. **Amendments Proposed by OHA.**

- a. **Amendments of Financial Assistance Award.** County shall review all proposed amendments to the Financial Assistance Award prepared and presented to County by OHA in accordance with this Section. Amendments to the Financial Assistance Award will be presented to County in electronic form. OHA may withdraw a proposed amendment by and effective upon written notice to County. If not sooner accepted or rejected by County, or withdrawn by OHA, a proposed amendment shall be deemed rejected by County 60 days after County's receipt thereof and OHA's offer to amend the Financial Assistance Award shall be automatically revoked. If County chooses to accept a proposed amendment presented in electronic form, County shall return the proposed amendment to OHA signed by the County Financial Assistance Administrator. Upon OHA's actual physical receipt and signature of a proposed amendment signed by the County Financial Assistance Administrator but otherwise unaltered, the proposed amendment shall be considered accepted by the parties and the Financial Assistance Award as amended by the proposed amendment, shall become the Financial Assistance Award under this Agreement. If County returns a proposed amendment altered in any way (other than by signature of the County Financial Assistance Administrator), OHA may, in its discretion, accept the proposed

amendment as altered by County but only if the County Financial Assistance Administrator has initialed each alteration. A proposed amendment altered by County and returned to OHA shall be considered accepted by OHA on the date OHA initials each alteration and on that date the Financial Assistance Award, as amended by the proposed amendment (as altered), shall become the Financial Assistance Award.

**b. Other Amendments.** County shall review all proposed amendments to this Agreement prepared and presented to County by OHA, other than those described in Section 4.a. of this Exhibit, promptly after County's receipt thereof. If County does not accept a proposed amendment within 60 days of County's receipt thereof, County shall be deemed to have rejected the proposed amendment and the offer to amend the Agreement, as set forth in the proposed amendment, shall be automatically revoked. If County chooses to accept the proposed amendment, County shall return the proposed amendment to OHA signed by a duly authorized County official. Upon OHA's actual physical receipt and signature of a proposed amendment signed by a duly authorized County official but otherwise unaltered, the proposed amendment shall be considered accepted by the parties and this Agreement shall be considered amended as set forth in the accepted amendment. If County returns a proposed amendment altered in any way (other than by signature of a duly authorized County official), OHA may, in its discretion, accept the proposed amendment as altered by County but only if a duly authorized County official has initialed each alteration. A proposed amendment altered by County and returned to OHA shall be considered accepted by OHA on the date OHA initials each alteration and on that date this Agreement shall be considered amended as set forth in the accepted amendment.

**5. Provider Contracts.** Except when the Service expressly requires the Service or a portion thereof to be delivered by County directly and subject to Section 6 of this Exhibit E, County may use financial assistance provided under this Agreement for a particular Service to purchase that Service, or a portion thereof, from a third person or entity (a "Provider") through a contract (a "Provider Contract"). Subject to Section 6 of this Exhibit E, County may permit a Provider to purchase the Service, or a portion thereof, from another person or entity under a subcontract and such subcontractors shall also be considered Providers for purposes of this Agreement and the subcontracts shall be considered Provider Contracts under this Agreement. County shall not permit any person or entity to be a Provider unless the person or entity holds all licenses, certificates, authorizations and other approvals required by applicable law to deliver the Service. If County purchases a Service, or portion thereof, from a Provider, the Provider Contract must be in writing and contain each of the provisions set forth in Exhibit H, in substantially the form set forth therein, in addition to any other provisions that must be included to comply with applicable law, that must be included in a Provider Contract under the terms of this Agreement or that are necessary to implement Service delivery in accordance with the applicable Service Descriptions, Specialized Service Requirements and special conditions. County shall maintain an originally executed copy of each Provider Contract at its office and shall furnish a copy of any Provider Contract to OHA upon request.

**6. Provider Monitoring.** County shall monitor each Provider's delivery of Services and promptly report to OHA when County identifies a deficiency in a Provider's delivery of a

Service or in a Provider's compliance with the Provider Contract between the Provider and County. County shall promptly take all necessary action to remedy any identified deficiency on the part of the Provider. County shall also monitor the fiscal performance of each Provider and shall take all lawful management and legal action necessary to pursue this responsibility. In the event of a deficiency in a Provider's delivery of a Service or in a Provider's compliance with the Provider Contract between the Provider and County, nothing in this Agreement shall limit or qualify any right or authority OHA has under state or federal law to take action directly against the Provider.

**7. Alternative Formats and Translation of Written Materials, Interpreter Services.** In connection with the delivery of Services, County shall:

- a. Make available to a Client, without charge to the Client, upon the Client's or OHA's request, any and all written materials in alternate, if appropriate, formats as required by OHA's administrative rules or by OHA's written policies made available to County.
- b. Make available to a Client, without charge to the Client, upon the Client's or OHA's request, any and all written materials in the prevalent non-English languages in the area served by County's CMHP.
- c. Make available to a Client, without charge to the Client, upon the Client's or OHA's request, oral interpretation services in all non-English languages in the area served by County's CMHP.
- d. Make available to Clients with hearing impairment, without charge to the Client, upon the Client's or OHA's request, sign language interpretation services and telephone communications access services.

For purposes of the foregoing, "written materials" includes, without limitation, all written materials created or delivered in connection with the Services and all Provider Contracts related to this Agreement.

**8. Reporting Requirements.** If County delivers a Service directly, County shall prepare and furnish the following information to OHA when that Service is delivered:

- a. Client, Service and financial information as specified in the Service Description.
- b. All additional information and reports that OHA reasonably requests.

**9. Operation of CMHP.** County shall operate or contract for the operation of a CMHP during the term of this Agreement. If County uses funds provided under this Agreement for a particular Service, County shall include that Service in its CMHP from the date it begins using the funds for that Service until the earlier of (a) termination or expiration of this Agreement, (b) termination by OHA of OHA's obligation to provide financial assistance for that Service in accordance with Section 8 of Exhibit F or (c) termination by the County, in accordance with Section 8 of Exhibit F, of County's obligation to include in its CMHP a Program Area that includes that Service.

**10. OHA Reports.**

- a. To the extent resources are available to OHA to prepare and deliver the information, OHA shall, during the term of this Agreement, provide County with the following reports:

- (1) Summary reports to County and County's Providers from MOTS data as reported to OHA under this Agreement; and
    - (2) Monthly reports to County that detail disbursement of financial assistance under the Financial Assistance Award in Exhibit C for the delivery of Services.
  - b.** OHA shall prepare and send to each Provider to whom OHA makes direct payments on behalf of County under this Agreement during a calendar year, an IRS Form 1099 for that year specifying the total payments made by OHA to that Provider.
- 11. Technical Assistance.** During the term of this Agreement, OHA shall provide technical assistance to County in the delivery of Services to the extent resources are available to OHA for this purpose. If the provision of technical assistance to the County concerns a Provider, OHA may require, as a condition to providing the assistance, that County take all action with respect to the Provider reasonably necessary to facilitate the technical assistance.
- 12. Payment of Certain Expenses.** If OHA requests that an employee of County or a Provider or a citizen of County attend OHA training or an OHA conference or business meeting and County has obligated itself to reimburse the individual for travel expenses incurred by the individual in attending the training or conference, OHA may pay those travel expenses on behalf of County but only at the rates and in accordance with the reimbursement procedures set forth in the Oregon Accounting Manual ([www.oregon.gov/DAS/SCD/SARS/policies/oam/10.35.00.PR.pdf?ga=t](http://www.oregon.gov/DAS/SCD/SARS/policies/oam/10.35.00.PR.pdf?ga=t)) as of the date the expense was incurred and only to the extent that OHA determines funds are available for such reimbursement.
- 13. Effect of Amendments Reducing Financial Assistance.** If County and OHA amend this Agreement to reduce the amount of financial assistance awarded for a particular Service, County is not required by this Agreement to utilize other County funds to replace the funds no longer received under this Agreement as a result of the amendment and County may, from and after the date of the amendment, reduce the quantity of that Service included in its CMHP commensurate with the amount of the reduction in financial assistance awarded for that Service. Nothing in the preceding sentence shall affect County's obligations under this Agreement with respect to financial assistance actually disbursed by OHA under this Agreement or with respect to Services actually delivered.
- 14. Resolution of Disputes over Additional Financial Assistance Owed County After Termination or Expiration.** If, after termination or expiration of this Agreement, County believes that OHA disbursements of financial assistance under this Agreement for a particular Service are less than the amount of financial assistance that OHA is obligated to provide to County under this Agreement for that Service, as determined in accordance with the applicable financial assistance calculation methodology, County shall provide OHA with written notice thereof. OHA shall have 90 calendar days from the effective date of County's notice to pay County in full or notify County that it wishes to engage in a dispute resolution process. If OHA notifies County that it wishes to engage in a dispute resolution process, County and OHA's Deputy Director for Addictions and Mental Health Services Division shall engage in non-binding discussion to give OHA an opportunity to present reasons why it believes that it does not owe

County any additional financial assistance or that the amount owed is different than the amount identified by County in its notices, and to give County the opportunity to reconsider its notice. If OHA and County reach agreement on the additional amount owed to County, OHA shall promptly pay that amount to County. If OHA and County continue to disagree as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Department of Justice and County Counsel approval, binding arbitration. Nothing in this Section shall preclude the County from raising underpayment concerns at any time prior to termination or expiration of this Agreement under Section 15 below.

**15. Alternative Dispute Resolution.** The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

**16. Purchase and Disposition of Equipment.**

**a.** For purposes of this Section, “Equipment” means tangible, non-expendable personal property having a useful life of more than one year and a net acquisition cost of more than \$5,000 per unit. However, for purposes of information technology equipment, the monetary threshold does not apply (except as provided below for Software and storage devices). Information technology equipment shall be tracked for the mandatory line categories listed below:

Network

Personal Computer

Printer/Plotter

Server

Storage device that will contain client information

Storage device that will not contain client information, when the acquisition cost is \$100 or more

Software, when the acquisition cost is \$100 or more.

**b.** For any Equipment authorized by OHA for purchase with funds from this Agreement, ownership shall be in the name of the County and County is required to accurately maintain the following Equipment inventory records:

- (1) description of the Equipment;
- (2) serial number;
- (3) where Equipment was purchased;
- (4) acquisition cost and date; and
- (5) location, use and condition of the Equipment

County shall provide the Equipment inventory list electronically to the Agreement Administrator at [amhcontract.administrator@state.or.us](mailto:amhcontract.administrator@state.or.us) annually by June 30<sup>th</sup> of each year. County shall be responsible to safeguard any Equipment and maintain the Equipment in good repair and condition while in the possession of County or any Providers. County shall depreciate all Equipment, with a value of more than \$5,000, using the straight line method.

**c.** Upon termination of this Agreement, or any Service thereof, for any reason whatsoever, County shall, upon request by OHA, immediately, or at such later

date specified by OHA, tender to OHA any and all Equipment purchased with funds under this Agreement as OHA may require to be returned to the State. At OHA's direction, County may be required to deliver said Equipment to a subsequent contractor for that contractor's use in the delivery of Services formerly provided by County. Upon mutual agreement, in lieu of requiring County to tender the Equipment to OHA or to a subsequent contractor, OHA may require County to pay to OHA the current value of the Equipment. Equipment value will be determined as of the date of Agreement or Service termination.

- d.** If funds from this Agreement are authorized by OHA to be used as a portion of the purchase price of Equipment, requirements relating to title, maintenance, Equipment inventory reporting and residual value shall be negotiated and the agreement reflected in a special condition authorizing the purchase.
  - e.** Notwithstanding anything herein to the contrary, County shall comply with 45 CFR Part 92.32 or 45 CFR 75.320, as applicable, which generally describes the required maintenance, documentation, and allowed disposition of equipment purchased with federal grant funds.
- 17.** Nothing in this Agreement shall cause or require County or OHA to act in violation of state or federal constitutions, statutes, regulations or rules. The parties intend this limitation to apply in addition to any other limitation in this Agreement, including limitations in Section 1 of this Exhibit E.

**2015-2017 INTERGOVERNMENTAL AGREEMENT  
FOR THE FINANCING OF COMMUNITY ADDICTIONS AND MENTAL HEALTH  
SERVICES**

**EXHIBIT F  
STANDARD TERMS AND CONDITIONS**

- 1. Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, “Claim”) between the parties that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within a circuit court for the State of Oregon of proper jurisdiction. THE PARTIES, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENT TO THE IN PERSONAM JURISDICTION OF SAID COURTS. Except as provided in this section, neither party waives any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. The parties acknowledge that this is a binding and enforceable agreement and, to the extent permitted by law, expressly waive any defense alleging that either party does not have the right to seek judicial enforcement of this Agreement.
- 2. Compliance with Law.** Both parties shall comply with laws, regulations and executive orders to which they are subject and which are applicable to the Agreement or to the delivery of Services. Without limiting the generality of the foregoing, both parties expressly agree to comply with the following laws, regulations and executive orders to the extent they are applicable to the Agreement: (a) OAR 943-005-0000 through 943-005-0070, prohibiting discrimination against individuals with disabilities, as may be revised, and all applicable requirements of state civil rights and rehabilitation statutes, rules and regulations; (b) all state laws governing operation of Community Mental Health Programs, including without limitation, all administrative rules adopted by OHA related to Community Mental Health Programs or related to client rights; and (c) all state laws requiring reporting of Client abuse; (d) ORS 659A.400 to 659A.409, ORS 659A.145 and all regulations and administrative rules established pursuant to those laws in the construction, remodeling, maintenance and operation of any structures and facilities, and in the conduct of all programs, services and training associated with the delivery of Services. These laws, regulations and executive orders are incorporated by reference herein to the extent that they are applicable to the Agreement and required by law to be so incorporated. All employers, including County and OHA that employ subject workers who provide Services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers’ Compensation coverage, unless such employers are exempt under ORS 656.126.
- 3. Independent Contractors.** The parties agree and acknowledge that their relationship is that of independent contracting parties and that County is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.
- 4. Representations and Warranties.**

  - a.** County represents and warrants as follows:

## 5. **Ownership of Intellectual Property.**

a. Except as otherwise expressly provided herein, or as otherwise required by state or federal law, OHA will not own the right, title and interest in any intellectual property created or delivered by County or a Provider in connection with the Services. With respect to that portion of the intellectual property that the County owns, County grants to OHA a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property, (2) authorize third parties to exercise the rights set forth in Section 5.a.(1) on OHA's behalf, and (3) sublicense to third parties the rights set forth in Section 5.a.(1).

To the extent that OHA becomes the owner of any intellectual property created or delivered by County in connection with the Services, OHA will grant a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to County to use, copy, distribute, display, build upon and improve the intellectual property.

c. County shall include in its Provider Contracts terms and conditions necessary to require that Providers execute such further documents and instruments as OHA may reasonably request in order to make any grant of license or assignment of ownership that may be required by federal or state law.

6. **County Default.** County shall be in default under this Agreement upon the occurrence of any of the following events:

- a. County fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein;
- b. Any representation, warranty or statement made by County herein or in any documents or reports made in connection herewith or relied upon by OHA to measure the delivery of Services, the expenditure of financial assistance or the performance by County is untrue in any material respect when made;
- c. County (1) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property, (2) admits in writing its inability, or is generally unable, to pay its debts as they become due, (3) makes a general assignment for the benefit of its creditors, (4) is adjudicated a bankrupt or insolvent, (5) commences a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect), (6) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (7) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (8) takes any action for the purpose of effecting any of the foregoing; or

The delivery of any Service fails to comply with the terms and conditions of this Agreement or fails to meet the standards for Service as set forth herein, including but not limited to, any terms, condition, standards and requirements set forth in the Financial Assistance Award and applicable Service Description.

- 7. **OHA Default.** OHA shall be in default under this Agreement upon the occurrence of any of the following events:
  - a. OHA fails to perform, observe or discharge any of its covenants, agreements, or obligations set forth herein; or
  - b. Any representation, warranty or statement made by OHA herein or in any documents or reports made in connection herewith or relied upon by County to measure performance by OHA is untrue in any material respect when made.
- 8. **Termination.**
  - a. **County Termination.** County may terminate this Agreement in its entirety or may terminate its obligation to include a particular Program Area in its CMHP:

- (1) For its convenience, upon at least three calendar months advance written notice to OHA, with the termination effective as of the first day of the month following the notice period;
- (2) Upon 45 days advance written notice to OHA, if County does not obtain funding, appropriations and other expenditure authorizations from County's governing body, federal, state or other sources sufficient to permit County to satisfy its performance obligations under this Agreement, as determined by County in the reasonable exercise of its administrative discretion;
- (3) Upon 30 days advance written notice to OHA, if OHA is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as County may specify in the notice; or
- (4) Immediately upon written notice to OHA, if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that County no longer has the authority to meet its obligations under this Agreement.

**b. OHA Termination.** OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Services described in the Financial Assistance Award:

- (1) For its convenience, upon at least three calendar months advance written notice to County, with the termination effective as of the first day of the month following the notice period;
- (2) Upon 45 days advance written notice to County, if OHA does not obtain funding, appropriations and other expenditure authorizations from federal, state or other sources sufficient to meet the payment obligations of OHA under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Services, immediately upon written notice to County or at such other time as it may determine if action by the Oregon Legislative Assembly or Emergency Board reduces OHA's legislative authorization for expenditure of funds to such a degree that OHA will no longer have sufficient expenditure authority to meet its payment obligations under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion, and the effective date for such reduction in expenditure authorization is less than 45 days from the date the action is taken;
- (3) Immediately upon written notice to County if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that OHA no longer has the authority to meet its obligations under this Agreement or no longer has the authority to provide the financial assistance from the funding source it had planned to use;

- (4) Upon 30 days advance written notice to County, if County is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as OHA may specify in the notice;
  - (5) Immediately upon written notice to County, if any license or certificate required by law or regulation to be held by County or a Provider to deliver a Service described in the Financial Assistance Award is for any reason denied, revoked, suspended, not renewed or changed in such a way that County or a Provider no longer meets requirements to deliver the Service. This termination right may only be exercised with respect to the particular Service or Services impacted by loss of necessary licensure or certification;
  - (6) Immediately upon written notice to County, if OHA determines that County or any of its Providers have endangered or are endangering the health or safety of a Client or others in performing the Services covered in this Agreement.
- c. OHA and County agree that this Agreement extends to September 1, 2017, but only for the purpose of amendments to adjust the allocated budget (Exhibit C) for Services performed, or not performed, by County during the 2015-17 biennium and prior to July 1, 2017. If there is more than one amendment modifying Exhibit C, the amendment shall be applied to Exhibit C in the order in which the amendments are executed by County and OHA. In no event is the County authorized to provide any Services under this Agreement, and County is not required to provide any Services under this Agreement, after June 30, 2017.

**9. Effect of Termination.**

**a. Entire Agreement.**

- (1) Upon termination of this Agreement in its entirety, OHA shall have no further obligation to pay or disburse financial assistance to County under this Agreement, whether or not OHA has paid or disbursed to County all financial assistance described in Exhibit C except (a) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service, the financial assistance for which is calculated on a rate per unit of service or service capacity basis, is less than the applicable rate multiplied by the number of applicable units of Service or Service capacity of that type performed or made available from the effective date of this Agreement through the termination date, and (b) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service, the financial assistance for which is calculated on a cost reimbursement basis, is less than the cumulative actual Allowable Costs reasonably and necessarily incurred with respect to delivery of that Service, from the effective date of this Agreement through the termination date.
- (2) Upon termination of this Agreement in its entirety, County shall have no further obligation under this Agreement to operate a CMHP.

**b. Individual Program Area or Service.**

- (1) Upon termination of OHA's obligation to provide financial assistance under this Agreement for a particular Service, OHA shall have no further obligation to pay or disburse any financial assistance to County under this Agreement for that Service, whether or not OHA has paid or disbursed to County all financial assistance described in the Financial Assistance Award for that Service except (a) with respect to funds described in the Financial Assistance Award and if the financial assistance for that Service is calculated on a rate per unit of service or service capacity basis, to the extent that OHA's prior disbursement of financial assistance for that Service is less than the applicable rate multiplied by the number of applicable units of Service or Service capacity of that type performed or made available during the period from the first day of the period for which the funds were awarded through the earlier of the termination of OHA's obligation to provide financial assistance for that Service or the last day of the period for which the funds were awarded, and (b) with respect to funds described in the Financial Assistance Award and if the financial assistance for that Service is calculated on a cost reimbursement basis, to the extent that OHA's prior disbursement of financial assistance for that Service is less than the cumulative actual Allowable Costs reasonably and necessarily incurred by County with respect to delivery of that Service, during the period from the effective date of this Agreement through the termination of OHA's obligation to provide financial assistance for that Service.
- (2) Upon termination of OHA's obligation to provide financial assistance under this Agreement for a particular Service, County shall have no further obligation under this Agreement to include that Service in its CMHP.
- (3) Upon termination of County's obligation to include a Program Area in its CMHP, OHA shall have (a) no further obligation to pay or disburse financial assistance to County under this Agreement for Local Administration – Mental Health Services (MHS 01) and Local Administration - Addiction Services (A&D 03) of Services in that Program Area whether or not OHA has paid or disbursed to County all financial assistance described in the Financial Assistance Award for local administration of Services in that Program Area and (b) no further obligation to pay or disburse any financial assistance to County under this Agreement for Services in that Program Area, whether or not OHA has paid or disbursed to County all financial assistance described in the Financial Assistance Award for those Services except (1) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service falling within that Program Area, the financial assistance for which is calculated on a rate per unit of service or service capacity basis, is less than the applicable rate multiplied by the number of applicable units of Service or Service capacity of that type performed or made available during the period from the effective date of this Agreement through the termination of County's

obligation to include the Program Area, in which that Service falls, in County's CMHP, and (2) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Service falling within that Program Area, the financial assistance for which is calculated on a cost reimbursement basis, is less than the cumulative actual Allowable Costs reasonably and necessarily incurred by County with respect to delivery of that Service, during the period from the effective date of this Agreement through the termination of County's obligation to include the Program Area, in which that Service falls, in County's CMHP.

- (4) Upon termination of County's obligation to include a Program Area in its CMHP, County shall have no further obligation under this Agreement to include that Program Area in its CMHP.

**c. Disbursement Limitations.** Notwithstanding subsections (a) and (b) above:

- (1) Under no circumstances will OHA be obligated to provide financial assistance to County for a particular Service in excess of the amount awarded under this Agreement for that Service as set forth in the Financial Assistance Award; and
- (2) Under no circumstances will OHA be obligated to provide financial assistance to County from funds described in the Financial Assistance Award in an amount greater than the amount due County under the Financial Assistance Award for Services, as determined in accordance with the financial assistance calculation methodologies in the applicable Services Descriptions.

**d. Survival.** Exercise of a termination right set forth in Section 8 of this Exhibit or expiration of this Agreement in accordance with its terms, shall not affect County's right to receive financial assistance to which it is entitled hereunder, as described in subsections a. and b. above and as determined through the Agreement Settlement process, or County's right to invoke the dispute resolution processes under Sections 14 and 15 of Exhibit E. Notwithstanding subsections a. and b. above, exercise of the termination rights in Section 8 of this Exhibit or expiration of this Agreement in accordance with its terms, shall not affect County's obligations under this Agreement or OHA's right to enforce this Agreement against County in accordance with its terms, with respect to financial assistance actually disbursed by OHA under this Agreement, or with respect to Services actually delivered. Specifically, but without limiting the generality of the preceding sentence, exercise of a termination right set forth in Section 8 of this Exhibit or expiration of this Agreement in accordance with its terms shall not affect County's representations and warranties, reporting obligations, record-keeping and access obligations, confidentiality obligations, obligation to comply with applicable federal requirements, the restrictions and limitations on County's use of financial assistance actually disbursed by OHA hereunder, County's obligation to cooperate with OHA in the Agreement Settlement process, or OHA's right to recover from County, in accordance with the terms of this Agreement, any financial assistance disbursed by OHA under this Agreement that is identified as an Underexpenditure, Overexpenditure or Misexpenditure. If a

termination right set forth in Section 8 of this Exhibit is exercised, both parties shall make reasonable good faith efforts to minimize unnecessary disruption or other problems associated with the termination.

- 10. Limitation of Liabilities.** NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY DAMAGES OF ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT OR ANY PART HEREOF IN ACCORDANCE WITH ITS TERMS.
- 11. Insurance.** County shall require Providers to maintain insurance as set forth in Exhibit I, which is attached hereto.
- 12. Records Maintenance; Access and Confidentiality.**
  - a. Access to Records and Facilities.** OHA, the Secretary of State's Office of the State of Oregon, the Federal Government, and their duly authorized representatives shall have access to the books, documents, papers and records of the County that are directly related to this Agreement, the financial assistance provided hereunder, or any Service for the purpose of making audits, examinations, excerpts, copies and transcriptions. In addition, County shall permit authorized representatives of OHA to perform site reviews of all Services delivered by County.
  - b. Retention of Records.** County shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the financial assistance provided hereunder or any Service, for a minimum of six years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the termination or expiration of this Agreement. If there are unresolved audit or Agreement Settlement questions at the end of the applicable retention period, County shall retain the records until the questions are resolved.
  - c. Expenditure Records.** County shall document the use and expenditure of all financial assistance paid by OHA under this Agreement. Unless applicable federal law requires County to utilize a different accounting system, County shall create and maintain all use and expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit OHA to verify how the financial assistance paid by OHA under this Agreement was used or expended.
  - d. Client Records.** If County delivers a Service directly, County shall create and maintain a Client record for each Client who receives that Service, unless the Service Description precludes delivery of the Service on an individual Client basis and reporting of Service commencement and termination information is not required by the Service Description. The Client record shall contain:
    - (1) Client identification;
    - (2) Problem assessment;
    - (3) Treatment, training or care plan;
    - (4) Medical information when appropriate; and

- (5) Progress notes including Service termination summary and current assessment or evaluation instrument as designated by OHA in administrative rules.

County shall retain Client records in accordance with OAR 166-150-0005 through 166-150-0215 (State Archivist). Unless OAR 166-150-0005 through 166-150-0215 requires a longer retention period, Client records must be retained for a minimum of six years from termination or expiration of this Agreement.

- e. **Safeguarding of Client Information.** County shall maintain the confidentiality of Client records as required by applicable state and federal law, including without limitation, ORS 179.495 to 179.507, 45 CFR Part 205, 42 CFR Part 2, any administrative rule adopted by OHA implementing the foregoing laws, and any written policies made available to County by OHA. County shall create and maintain written policies and procedures related to the disclosure of Client information, and shall make such policies and procedures available to OHA for review and inspection as reasonably requested by OHA.
13. **Information Privacy/Security/Access.** If the Services performed under this Agreement requires County or its Provider(s) to have access to or use of any OHA computer system or other OHA Information Asset for which OHA imposes security requirements, and OHA grants County or its Providers(s) access to such OHA Information Assets or Network and Information Systems, County shall comply and require all Provider(s) to which such access has been granted to comply with OAR 943-014-0300 through OAR 943-014-0320, as such rules may be revised from time to time. For purposes of this section, “Information Asset” and “Network and Information System” have the meaning set forth in OAR 943-014-0305, as such rule may be revised from time to time.
  14. **Force Majeure.** Neither OHA nor County shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, natural causes, or war which is beyond the reasonable control of OHA or County, respectively. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. OHA may terminate this Agreement upon written notice to the other party after reasonably determining that the delay or breach will likely prevent successful performance of this Agreement.
  15. **Assignment of Agreement, Successors in Interest.**
    - a. County shall not assign or transfer its interest in this Agreement without prior written approval of OHA. Any such assignment or transfer, if approved, is subject to such conditions and provisions as OHA may deem necessary. No approval by OHA of any assignment or transfer of interest shall be deemed to create any obligation of OHA in addition to those set forth in this Agreement.
    - b. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties to this Agreement, and their respective successors and permitted assigns.
  16. **No Third Party Beneficiaries.** OHA and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that County’s performance under this Agreement is solely for the benefit of OHA to assist and enable OHA to accomplish its statutory mission. Nothing in this Agreement gives, is intended to

give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

17. **Amendment.** No amendment, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties and when required by the Department of Justice. Such amendment, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given.
18. **Severability.** The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
19. **Notice.** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid to County or OHA at the address or number set forth below, or to such other addresses or numbers as either party may indicate pursuant to this section. Any communication or notice so addressed and mailed shall be effective five days after mailing. Any communication or notice delivered by facsimile shall be effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the recipient, or on the next business day, if transmission was outside normal business hours of the recipient. To be effective against the other party, any notice transmitted by facsimile must be confirmed by telephone notice to the other party at number listed below. Any communication or notice given by personal delivery shall be effective when actually delivered to the addressee.

20. **Headings.** The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and shall not be used to construe the meaning or to interpret this Agreement.
21. **Counterparts.** This Agreement and any subsequent amendments may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same

counterpart. Each copy of this Agreement and any amendments so executed shall constitute an original.

22. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire Agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. No waiver or consent shall be effective unless in writing and signed by the party against whom it is asserted.
23. **Construction.** This Agreement is the product of extensive negotiations between OHA and representatives of county governments. The provisions of this Agreement are to be interpreted and their legal effects determined as a whole. An arbitrator or court interpreting this Agreement shall give a reasonable, lawful and effective meaning to the Agreement to the extent possible, consistent with the public interest.
24. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the State (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable

considerations. The relative fault of the County on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

- 25. Indemnification by Providers.** County shall take all reasonable steps to cause its Provider(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's Provider or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.

**EXHIBIT G  
REQUIRED FEDERAL TERMS AND CONDITIONS**

In addition to the requirements of section 2 of Exhibit F, County shall comply, and as indicated, require all Providers to comply with the following federal requirements. **EXHIBIT J  
START-UP PROCEDURES**

**A&D Special Projects (AD 60-Start-Up)  
MHS Special Projects (MHS 37-Start-Up)**

**INTRODUCTION**

Start-Up funds are awarded for expenses necessary to begin, expand, or improve services. These expenses are distinct from routine operating expenses incurred in the course of providing ongoing services.

Start-Up funds are typically disbursed prior to initiation of services. Funds are used to cover costs such as employee salaries and training, furnishings and supplies, renovation of facilities under \$5,000, and purchase of vehicles and other capital items that will be needed to provide the services planned and delivered at the specified sites.

**Requirements for Start-Up Payment**

Payment of Start-Up funds is subject to the following requirements and any special conditions which are specified in Exhibit C.

**1. Basis and Method of Payment**

- a.** Funds are paid for actual allowable expenses up to the limit specified for Start-Up. Allowable expenses for each service element are limited to those listed under Allowable Start-Up Expenditures in this Exhibit. OHA must approve payment for all Start-Up funds.
- b.** After execution of this Agreement or any amendment(s) awarding Program Start-Up funds, County may request an advance of funds it anticipates using in the subsequent 120 days. Ordinarily, OHA will not release funds earlier than 90days prior to the projected first day of service. However, under justifiable circumstances, OHA may release funds earlier.
- c.** A request for payment of Start-Up funds may only be made using forms and procedures prescribed by OHA. Special instructions are applicable as follows:
  - (1) When OHA Start-Up funds in the amount of \$1,000 and above are to be used for purchase of a vehicle, as security for the County's performance of its obligations under this Agreement, the County grants to OHA a security interest in, all of the County's right, title, and interest in and to the goods, i.e. the vehicle. The County agrees that from time to time, at its expense, the County will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that OHA may reasonably request, in order to perfect and protect the security interest granted under this Agreement or to enable OHA to exercise and enforce its rights and remedies under this Agreement with respect to the vehicle. County must forward a copy of the title registration application showing Addictions and Mental Health Division as the

Security Interest Holder to OHA within five (5) days of the acquisition from the seller. File Security Interest Holder information as follows:

Oregon Health Authority  
Addictions and Mental Health Division  
500 Summer Street NE, E86  
Salem, OR 97301

- (2) When County requests payment of Start-Up funds, the request must be made on forms prescribed by OHA.

## 2. **Special Written Approval Authorizations**

When using Start-Up funds the following circumstances require special written authorization from OHA prior to acquisition. These circumstances should be communicated to OHA within 14 days of the anticipated acquisition date.

### a. **WHEN LEASING:**

- (1) Acquisition of real property, vehicles or capital items pursuant to a Lease;
- (2) Acquisition of real property, vehicles, or capital items where another party, in addition to OHA, will also become a secured party (lienholder) at the time of acquisition;
- (3) Renovations or alterations of real property where County is not the owner of the property and OHA has no security interest in the property.

### b. **OTHER:**

- (1) A change in the intended use of Start-Up funds or a change in the amount or date of anticipated acquisition indicated on County's request for payment of Start-Up funds, for those acquisitions requiring OHA's interest to be secured.

## 3. **Release of Payments**

Following review and approval of County's request for payment of Start-Up funds and any ancillary documentation, OHA will issue an advance of funds to County as applicable. These funds will generally be issued as a separate check on a weekly basis; however, requests processed in time for the monthly allotment process will be included in the allotment. The request for funds should be communicated to OHA within 14 days of the anticipated acquisition date. Approval of special requests will be made on a limited basis only.

County will keep a copy of all Requests for Payment of Start-Up funds and report actual expenditures to OHA on the same form using procedures prescribed by OHA.

## 4. **Start-Up Expenditure Documentation Maintained by County**

County shall maintain an Expenditure Report for Start-Up payments. County also is responsible for requiring its Providers to comply with expenditure reporting requirements and furnishing evidence of filing OHA's security interest on applicable items. OHA may inspect these reports. The reports must include the following by service element:

- a. The amount advanced;

- b. The amount expended on each allowable category, and the amount expended on each item listed as required in section 2 above and pre-approved by OHA;
- c. Copies of all Provider Contracts awarding Start-Up funds. Such Provider Contracts must require Providers to have executed dedicated use agreements and the other security documentation described in this Exhibit.

County must maintain supporting documentation for all expenditures (i.e., receipts).

**5. Expenditure Reports to OHA**

County must submit Start-Up expenditure reports separately for each OHA Start-Up request. Expenditure reports are due within 90 days following the effective date of the award, or within 60 days of termination or expiration of the Agreement. County shall report actual expenditure of Start-Up funds, using forms and procedures prescribed by OHA, and forward expenditure reports to OHA.

**6. Recovery of Start-Up Funds**

In the event County fails to submit an expenditure report when due for itself or its Provider(s), fails to submit security interests, vehicle titles, or other instrument as required by OHA to secure the State's interest, or reports unauthorized expenditures, or reports under expenditures without accompanying repayment, OHA may act, at its option, to recover Start-Up funds as follows:

- a. Bill County for subject funds;
- b. Following 30 days nonresponse to the billing, initiate an allotment reduction schedule against any current payments or advances being made to County; or
- c. Take other action needed to obtain payment.

**7. Dedicated Use Requirement**

Vehicles costing \$1,000 or more must be used to provide the service for which OHA approved the Start-Up funds. Dedicated use must continue for the useful life of the vehicle or five years whichever is less.

**8. Removal of Liens**

The following steps describe the process for removal of liens:

- a. To release a vehicle title on which OHA is listed security interest holder, County or any of its' Providers, must make a request in writing to OHA. The request must specify why the vehicle is being disposed of and the intended use of any funds realized from the transaction.

If approved, the original title is signed off by OHA and forwarded to County.
