III PLAN; PLAN MODIFICATIONS

- A. The Plan must be received and approved by DEPARTMENT before disbursements of funds described in Section VIII can be made to COUNTY.
- B. Plan Modifications: COUNTY and DEPARTMENT agree that the Plan must remain a flexible instrument capable of responding to unforeseen needs and requirements. A copy of all Plan Modifications will be marked in sequence beginning with the designation "Plan Modification 1" and attached to the above-mentioned Plan. IV AMENDMENTS GENERALLY

The terms of this Agreement shall not be waived, altered, modified, supplemented or amended, in any manner whatsoever, except by written Amendment signed by the parties. An Amendment shall become effective only after all parties have signed and all approvals have been obtained.

V DUTIES AND RESPONSIBILITIES OF COUNTY

- A. COUNTY shall assume administrative responsibility to provide services as outlined in the Plan.
- B. COUNTY shall incorporate the principles described below into the Plan:
 - 1. Treatment programs shall be evidence-based. Evidence-based programs are delivered consistent with the findings in research about what works best to reduce recidivism.
 - 2. Assessment which is standardized, objective, and comprehensive shall be used to prioritize treatment, determine criminal risk factors, and to determine the proper level of care. Assessments of risk shall be based on actuarial risk assessment tools.
 - 3. Rules, requirements and expectations for Participants, including consequences for success and for failure are made formal and clear by an authority figure.
 - 4. An individual case plan shall be developed for each Participant. The case plan shall include criminal risk factors in addition to addiction that will be addressed in treatment.
 - 5. Treatment program design shall address issues of motivation. Treatment options shall be available for Participants consistent with their assessed stage of change.
 - 6. Treatment shall be based on cognitive and behavioral interventions and social learning approaches. Treatment programs shall be of sufficient length and intensity to produce stable behavior changes based on replacing old patterns of thinking and behaving and learning and practicing new skills for avoiding drug use and criminal behavior.

7. The Plan shall utilize a system of graduated Sanctions and incentives which are swift and sure and which encourage recovery goals while holding Participants accountable for non-compliance behaviors.
 8. Weekly random drug testing shall occur, however frequency may decrease as Participant progresses. There shall be a consequence for this or any other rule violation, but that consequence shall not automatically result in withdrawal from treatment. Sanctions shall be administered in a manner to assure longer stays in treatment which are associated with good outcomes.
 9. Co-ed treatment shall be avoided if possible.
 10. Programs shall include relapse prevention planning and comprehensive transition planning so that participants are more likely to adjust to the next level of care or change in living situation.
 11. Addictions treatment programs must be licensed by the State of Oregon to provide addictions treatment.
- C. COUNTY shall incorporate the following data requirements:
1. COUNTY will identify Participants through the indicating 'Y' under the M57 Tx data field, located in the Treatment Module.
 2. The start and stop date of the actual program participation, as well as program exit code, will be entered into the CIS Treatment Module
 3. Program Participants will be assessed for level of severity of addiction, using the Texas Christian University assessment tool (available at no cost), and enter corresponding data as determined by DEPARTMENT.
- D. COUNTY will prepare and furnish such data, descriptive information and reports as may be requested by DEPARTMENT as needed to comply with ORS 423.520, which states in part, "The department shall require recipients of the grants to cooperate in the collection and sharing of data necessary to evaluate the effect of community corrections programs on future criminal conduct." COUNTY will enter data into CIS in a complete, accurate, and timely manner. COUNTY acknowledges and agrees that DEPARTMENT has the right to reproduce, use and disclose all or any part of such reports, data and technical information furnished under this Agreement.
- E. COUNTY will permit authorized representatives of DEPARTMENT to make such review of records of COUNTY as may be necessary to satisfy audit and/or program review purposes. A copy of any audit or monitoring report will be made available to COUNTY.
- F. COUNTY will follow DEPARTMENT's prescribed allotment and expenditure reporting system in accordance with Exhibit A. This system will be used for controlling County Corrections Intervention Grant funds by DEPARTMENT and to provide suitable records for an audit.

- G. If funding from DEPARTMENT is reduced or discontinued by legislative action, COUNTY will not be required to increase use of COUNTY revenue for continuing or maintaining corrections services as set out in this Agreement.

VI DEPARTMENT RESPONSIBILITIES

- A. Participate according to this Agreement.
- B. Provide funding as described in Section VIII of this Agreement.
- C. Furnish COUNTY, in a timely manner, those rules, administrative directives and procedures required for COUNTY to meet its obligations described herein.

DEPARTMENT hereby grants to COUNTY the right to reproduce, use, and disclose all or part of such reports, data, and technical information furnished under this Agreement.
- E. If by legislative action, funding from DEPARTMENT is reduced to COUNTY, DEPARTMENT agrees to provide reasonable notice and transition opportunity to COUNTY of changes that may significantly alter approved appropriations and programs.
- F. DEPARTMENT will provide technical assistance to COUNTY in implementing and evaluating COUNTY's Plan.

VII PERFORMANCE GOALS

Interventions funded under this Agreement will be evaluated by the DEPARTMENT for treatment effectiveness. Goals for the evaluation are to determine if:

- A. Treatment programs are evidence-based, as evaluated by the Corrections Program Checklist.
- B. Recidivism is reduced: Participants will recidivate at lower rates than similar untreated offenders.
- C. Participants reduce drug use: Results of random urinalysis will be analyzed.
- D. Participants show evidence of improved community functioning: Improved community functioning will be measured by successful completion of the program and through the existing community corrections performance measures (successful completion of supervision, employment, payment of restitution and/or community service work).

VIII FUNDS

- A. Exhibit A identifies the County Corrections Intervention Grant funds authorized under this Agreement for the implementation of the Plan during the term of this Agreement.
- B. Payment to COUNTY will be made within 15 days after execution of this Agreement.
- C. Both parties agree that all reallocations of funds within programs shall require a Plan Modification.
- D. Unexpended Funds: Fund balances remaining after the budget year or expiration of the Agreement may be retained by the COUNTY, upon approval by DEPARTMENT, for the provision of on-going supervision, correctional services, and sanctions in accordance with the Plan.
- E. Unauthorized Expenditures: Any grant funds disbursed to COUNTY that are expended for unauthorized purposes, or any Unexpended Funds not retained by COUNTY under Section VIII.E, will be deducted by DEPARTMENT from payment or refunded to DEPARTMENT promptly upon DEPARTMENT's written request and no later than 15 days after DEPARTMENT's written request.
- F. **Maximum Grant Amount.** Grant funds are based upon COUNTY's Application for Supplemental Funds. Unless amended, the maximum, not-to-exceed County Corrections Intervention Grant payable to COUNTY under this Agreement is \$468,631. The maximum grant amount may be increased only by written amendment of this Agreement which is signed by all parties and with all required State approvals.
- G. Disbursement of Grant Funds under this agreement is contingent on DEPARTMENT receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow DEPARTMENT, in the exercise of its reasonable administrative discretion, to make the disbursement.

IX NONCOMPLIANCE

- A. The Assistant Director of Community Corrections or the Assistant Director's designee of the Community Corrections Division shall review COUNTY's compliance with this Agreement. COUNTY must substantially comply with the provisions of the Plan received by DEPARTMENT and this Agreement.

If, upon review, DEPARTMENT determines that there are reasonable grounds to believe that COUNTY is not in substantial compliance with the Agreement or Plan, including but not limited to standards of evidence-based treatment programs as required in Section V.B.1, DEPARTMENT and COUNTY shall proceed in accordance with OAR Chapter 291-031, to reach compliance or, if compliance is not obtained, to suspend funding.

It is understood and agreed by the parties hereto that if any part, term or provision of this agreement, including any part, term or provision of any appended material, is held by a court to be illegal or in conflict with any law of the State of Oregon or applicable administrative rule, that element of the contract including relevant appended materials will be void and without effect and will be treated by the parties as having been terminated as of the date of determination of the voidness.
- E. It is understood and agreed by the parties hereto that this Agreement will automatically terminate if the State of Oregon provides no funding. If there is reduced state funding, COUNTY may terminate the Agreement as described herein.

XII COMPLIANCE WITH APPLICABLE LAW

Both Parties shall comply with all federal, state and local laws, regulations, executive orders, and ordinances to which each is subject and which is applicable to this Agreement. Without limiting the generality of the foregoing, the parties expressly agree to comply with: (i) Title VI of the Civil Rights Act of 1964; (ii) Section V of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to those laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. COUNTY shall retain all pertinent records

until the later of (i) the date that is not less than three years following the Agreement expiration date or (ii) the date on which all litigation regarding this Agreement is resolved. COUNTY agrees full access to DEPARTMENT will be provided in preparation for and during litigation. Copies of applicable records shall be made available upon request. DEPARTMENT shall reimburse COUNTY for the cost of copies DEPARTMENT requests.

Deschutes County M57 15/17 Utilization Plan

- The population being served; again it would be helpful for you to indicate if these funds are being used solely for your drug court population.
 - Deschutes County M57 program will continue with the same objectives for the coming biennium. Our population continues to be M57 eligible offenders who have drug addiction. The program will run similarly to the prior biennium, however, we intend to team this program with the division's JRP program. The M57 PO will work delivering intensive supervision to the M57 population through treatment and services. The division will be attempting a dosage model with the M57 program. There are two PO FTE that are funded with the M57 funds.

- The treatment programs being used and the intensity and duration that have been designed into your approach.
 - We continue to contract with same treatment provider as we have in the past couple of biennium. We will have meetings to assess the program's completion rate and determine any operational changes would increase the completion rate as well as continued sobriety post treatment.

- The types of sanctions that are available and what you see being utilized as well as any existing rewards/reinforcers used to motivate the offenders to succeed.
 - Deschutes County will continue to use a variety of sanctions for this program, which include, increased reporting, placement on the random UA program, electronic monitoring, work crew and jail sanctions. The division provides rewards when appropriate, such as, bus passes, and decreased reporting.

- What collaborations exist between you and your local criminal justice partners or what partnerships have been created since the original implementation of your M57 Supplemental Fund program.
 - The division works with our local treatment provider and clean and sober housing programs to provide services for this population. Those offenders who qualify may also be eligible to receive housing through the division JRP program.

INDEMNIFICATION
DESCHUTES COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the State (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL.

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Agency. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS.

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Agency:

"TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County's acceptance of all Services

required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and Agency may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If Agency approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE. County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.
