   - Exhibit E – WORKER’S COMPENSATION EXEMPTION CERTIFICATION
   - Exhibit F – EXPENSE REIMBURSEMENT
   - Exhibit G – CONFIDENTIALITY AGREEMENT
   - Exhibit H – FEDERAL AND STATE LAWS, STATUTES, RULES, REGULATIONS, EXECUTIVE ORDERS AND POLICIES

Contractor’s services are funded by and through County’s contracts with the State of Oregon, Oregon Health Authority (OHA). The Licensed Medical Practitioner Services (“Services”) is further described in Exhibit A, attached hereto and incorporated by this reference.

3. **Consideration.** It is understood and agreed that in the event funds are not awarded to County from OHA or PacificSource Community Solutions, Inc., or other funding sources as applicable, or if the amount of funds County actually receives from funding sources is less than anticipated, County may either immediately terminate this Contract or decrease the total compensation and reimbursement to be paid hereunder upon agreement of the Parties.

   A. Payment for services charged to this Contract shall not exceed the maximum sum of $175,000 inclusive of travel and all other expenses. Services, charged directly to the Oregon Health Plan (OHP) or other insurance providers is not calculated as part of the contract maximum compensation.

   B. Contractor shall invoice County on a monthly or quarterly basis, in arrears on or after the last day of the month following the month in which services were performed. County will only pay for completed work that is accepted by County. Invoice and supporting documentation must be sent to County Accounts Payable by mail, fax or e-mail as indicated in Paragraph 14, "Notices".

   C. Prior to approval or payment of any invoices, County may require and Contractor shall provide any information, not available within County electronic systems, which County deems necessary to verify work has been properly performed in accordance with the Contract. If state or federal authorities demand the repayment of funds received under this Contract and Contractor has been found willfully committing “fraud and abuse” as those terms are defined in OAR 410-120-0000, County may recover funds paid to Contractor under this Contract and any fines or penalties charged to County as a result of Contractor’s actions. In the event that the County determines that Contractor is responsible for the repayment of any funds paid to Contractor, in addition to any fines or penalties charged to the County due to Contractor willfully committing “fraud and abuse”, Contractor agrees to make such payment (and upon request by County, authorize County withhold of funds otherwise due to Contractor) within ten (10) days of notification by County. If federal or state
authorities demand the repayment of funds received under this Contract, County may recover all funds paid under this Contract, unless a smaller amount is disallowed or demanded from federal or state authorities.

F. In the event that a statutorily required operating license or letter of approval is suspended or not extended, County's obligation to provide reimbursement for services or program expenses hereunder related to services rendered without the necessary license or approval will cease on the date of termination of this Contract (whether in whole or in part) or the date of expiration or suspension of the license or letter of approval, whichever date is earlier.

A. County shall only reimburse Contractor for expenses reasonably and necessarily incurred in the performance of this Contract.

B. Expenses reimbursed shall be at the actual cost incurred; including any taxes paid, and shall not include any mark-up unless the mark-up on expenses is specifically agreed to in this Contract.

D. Contractor shall not invoice County for any time expended to complete the documents necessary for reimbursement of expenses or for payment under this Contract.

E. The limitations applicable to reimbursable expenses are set forth in Exhibit "F," attached hereto and by reference incorporated herein.

5. Withholding of Payments. Notwithstanding any other payment provision of this Contract, should Contractor fail to submit required reports when due, or fail to perform or document the performance of contracted services; County shall immediately withhold payments under this Contract.

A. Contractor shall be solely responsible for and shall have control over the means, methods, techniques, sequences and procedures of performing the work, subject to the plans and specifications under this Contract and shall be solely responsible for the errors and omissions of its employees, subcontractors and agents.

E. County shall have no rights in any pre-existing work product of Contractor provided to County by Contractor in the performance of this Contract except an irrevocable, non-exclusive, perpetual, royalty-free license to copy, use and re-use any such work product for County use only.

F. If this Contract is terminated prior to completion, and County is not in default, County, in addition to any other rights provided by this Contract, may require Contractor to transfer and deliver all partially completed work products, reports or documentation that Contractor has specifically developed or specifically acquired for the performance of this Contract.

G. In the event that Work Product is deemed Contractor's Intellectual Property and not "work made for hire," Contractor hereby grants to County an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the Contractor Intellectual Property, and to authorize others to do the same on County's behalf.

H. In the event that Work Product is Third Party Intellectual Property, Contractor shall secure on the County's behalf and in the name of the County, an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the Third Party Intellectual Property, and to authorize others to do the same on County's behalf.

15. Termination. All or part of this Contract may be terminated by mutual consent of both Parties or by either Party at any time for convenience upon thirty (30) days’ notice in writing to the other Party. The County may also terminate all or part of this Contract as specified below:

A. This Contract shall be terminated immediately and no obligations, financial or otherwise, shall be imposed upon County if funding to the County from Federal, State, or other sources is not obtained or is not continued at levels sufficient to allow for purchase of the indicated quantity of services. The County will give notice whenever possible.
B. With thirty (30) days' written notice, if Federal or State regulations are modified or changed in such a way that services are no longer allowable for purchase under this Contract.

C. Upon notice of denial, revocation, or non-renewal of any letter of approval, license, or certificate required by law or regulation to be held by the Contractor to provide a service under this Contract.

D. With thirty (30) days' written notice, if Contractor fails to provide services, or fails to meet any performance standard as specified by the County in this Contract (or subsequent modifications to this Contract) within the time specified herein, or any extensions thereof.

E. Upon written notice, if the Contractor fails to start services on the date specified in this Contract (or subsequent modifications to this Contract).

F. Upon written or oral notice, if County has evidence that the Contractor has endangered or is endangering the health and safety of clients, residents, staff, or the public.

G. Failure of the Contractor to comply with the provisions of this Contract and all applicable Federal, State and local laws and rules which may be cause for termination of this Contract. The circumstances under which this Contract may be terminated by either Party under this paragraph may involve major or minor violations. Major violations include, but are not limited to:
   1) Acts or omissions that jeopardize the health, safety, or security of individuals.
   2) Misuse of funds.
   3) Intentional falsification of records.

H. In the case a failure to perform jeopardizes the safety and security of an individual the Contractor and the County shall jointly conduct an investigation to determine whether an emergency exists and what corrective action will be necessary. Such an investigation shall be completed within five (5) working days from the date the County determines that such failure exists.

I. In those circumstances where a major violation is substantiated, continued performance may be suspended by the County immediately. In all cases involving a major violation, a written notice of intent to terminate this Contract shall be sent to the Contractor found to be in violation. Prior to termination, the Contractor shall be given a reasonable opportunity to refute the findings. If the problem is not corrected within a reasonable time as determined by County in its sole discretion, this Contract may be terminated or other remedial actions may be initiated.

J. Minor violations usually involve less than substantial compliance with the general or special conditions of this Contract. In the event of alleged minor violations, written notice shall be given and a reasonable period shall be allowed to develop a corrective action plan. This plan shall describe activities that respond to specific violations and means by which a permanent change will be made in the procedures or practices that caused the violation. If these activities do not occur within the notice period, this Contract may be terminated. Continued substantial minor violations that threaten adequacy of services may be treated like a major violation.

K. Termination shall be without prejudice to any obligations or liabilities of either Party accrued prior to such termination.

L. Contractor shall make no expenditures, enter into no contracts, nor encumber funds in its possession or to be transferred by County, after notice of termination or termination as set out above, without prior written approval from County.

16. Payment on Early Termination. Upon termination pursuant to Paragraph 15, payment shall be made as follows:

A. If Contract terminated because funding from Federal, State, or other sources is not obtained or is not continued at levels sufficient to allow for purchase of the indicated quantity of services, the County shall pay Contractor for work performed prior to the termination date if such work was performed in accordance with the Contract. Provided however, County shall not pay Contractor for any obligations or liabilities incurred by Contractor after Contractor receives written notice of termination.

B. If this Contract is terminated due to Contractor’s failure to perform services in accordance with the Contract, County obligations shall be limited to payment for services provided in accordance with this Contract prior to the date of termination, less any damages suffered by the County.
C. If Contract is terminated by the Contractor due to a breach by the County, then the County shall pay the Contractor for work performed prior to the termination date if such work was performed in accordance with the Contract:

1) with respect to services compensable on an hourly basis, for unpaid invoices, hours worked within any limits set forth in this Contract but not yet billed, authorized expenses incurred if payable according to this Contract and interest within the limits set forth under ORS 293.462, and
2) with respect to deliverable-based Work, the sum designated for completing the deliverable multiplied by the percentage of Work completed and accepted by County, less previous amounts paid and any claim(s) that County has against Contractor.
3) Subject to the limitations under paragraph 18 of this Contract.

17. Contractor's Tender upon Termination. Upon receiving a notice of termination of this Contract, Contractor shall immediately cease all activities under this Contract unless County expressly directs otherwise in such notice of termination.

A. Upon termination of this Contract, Contractor shall deliver to County all documents, information, works-in-progress and other property that are or would be deliverables had this Contract been completed.

B. Upon County's request, Contractor shall surrender to anyone County designates, all documents, research, objects or other tangible things needed to complete the work.

18. Remedies. In the event of breach of this Contract the Parties shall have the following remedies:

A. Termination under this Contract shall be without prejudice to any obligations or liabilities of either party already reasonably incurred prior to such termination.
   1) Contractor may not incur obligations or liabilities after Contractor receives written notice of termination.
   2) Additionally, neither Party shall be liable for any indirect, incidental, consequential or special damages under this Contract or for any damages of any sort arising solely from the termination of this Contract in accordance with its terms.

B. If terminated under this Contract by the County due to a breach by the Contractor, County may pursue any remedies available at law or in equity.
   1) Such remedies may include, but are not limited to, termination of this Contract, return of all or a portion of this Contract amount, payment of interest earned on this Contract amount, and declaration of ineligibility for the receipt of future contract awards.
   2) Additionally, County may complete the work either by itself, by agreement with another Contractor, or by a combination thereof. If the cost of completing the work exceeds the remaining unpaid balance of the total compensation provided under this Contract, then the Contractor shall be liable to the County for the amount of the reasonable excess.

C. If amounts previously paid to Contractor exceed the amount due to Contractor under this Contract, Contractor shall repay any excess to County upon demand.

D. Neither County nor Contractor shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, riot, acts of God, or war where such cause was beyond reasonable control of County or Contractor, respectively; however, Contractor shall make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Contract. ☐ Required by County ☑ Not required by County (one box must be checked)
Additional Insured. The Commercial General Liability insurance and Automobile Liability insurance must include the Deschutes County, the State of Oregon, their officers, employees, volunteers and agents as Additional insureds but only with respect to Contractor’s activities to be performed under this Contract. Coverage must be primary and non-contributory with any other insurance and self-insurance. The additional insured endorsement shall not include declarations that reduce any per occurrence or aggregate insurance limit. The Contractor shall provide additional coverage based on any outstanding claim(s) made against policy limits to ensure that minimum insurance limits required by the County are maintained. The additional insurance protection shall extend equal protection to County as to Contractor or subcontractors and shall not be limited to vicarious liability only or any similar limitation. To the extent any aspect of this Paragraph shall be deemed unenforceable, then the additional insurance protection to County shall be narrowed to the maximum amount of protection allowed by law.

Additional Requirements. Contractor shall pay all deductibles and self-insured retentions. A cross-liability clause or separation of insured’s condition must be included in all commercial general liability policies required by this Contract. Contractor’s coverage will be primary in the event of loss.

Certificate of Insurance Required. Contractor shall furnish a current Certificate of Insurance to the County with the signed Contract. Contractor shall notify County in writing at least thirty (30) days in advance of any cancellation, termination, material change, potential exhaustion of aggregate limits of, non-renewal of the required insurance coverage(s) or reduction of limits of the insurance coverage. The Certificate shall also state the deductible or, if applicable, the self-insured retention level. Contractor shall be responsible for any deductible or self-insured retention. If requested, completed copies of insurance policies shall be provided to County.

Tail Coverage. If any of the required insurance policies is on a “claims made” basis, such as professional liability insurance, Contractor shall maintain either “tail” coverage or continuous “claims made” liability coverage, provided the effective date of the continuous “claims made” coverage is on or before the effective date of this Contract, for a minimum of twenty-four (24) months following the later of: (i) Contractor’s completion and County’s acceptance of all Services required under this Contract or, (ii) the expiration of all warranty periods provided under this Contract. Notwithstanding the foregoing twenty-four (24) month requirement, if Contractor elects to maintain “tail” coverage and if the maximum time period “tail” coverage reasonably available in the marketplace is less than the twenty-four (24) month period described above, then Contractor may request and OHA may grant approval of the maximum “tail” coverage period reasonably available in the marketplace. If OHA approval is granted, the Contractor shall maintain “tail” coverage for the maximum time period that “tail” coverage is reasonably available in the marketplace.

Williams, M.D., (“Contractor”) and Deschutes County, a political subdivision of the State of Oregon, acting by and through its Health Care Component, Deschutes County Health Services (“Covered Entity”).

WHEREAS, in connection with the performance of the Services, Contractor may receive from the County or otherwise have access to certain information that is required to be kept confidential in accordance with the Health Insurance Portability and Accountability Act of 1996 and regulations promulgated thereunder, as may be amended from time to time (collectively, “HIPAA”); and

WHEREAS, as a part of the American Recovery and Reinvestment Act, the federal Health Information Technology for Economic and Clinical Health Act (the “HITECH Act”) was signed into law, imposing certain privacy and security obligations on Covered Entities in addition to the obligations created by the Privacy Standards and Security Standards; and

WHEREAS, the HITECH Act revises many of the requirements of the Privacy Standards and Security Standards concerning the confidentiality of Protected Health Information (PHI) and Electronic Protected Health Information (E PHI), including extending certain HIPAA and HITECH Act requirements directly to business associates; and

WHEREAS, the HITECH Act requires that certain of its provisions be included in contractor agreements, and that certain requirements of the Privacy Standards be imposed contractually upon Covered Entities as well as contractors;

Therefore, in consideration of the foregoing premises and the mutual covenants and conditions set forth below and in the agreement between Contractor and County for Contractor’s provision of services, intending to be legally bound, agree as follows.

2. DEFINITIONS

A. “Disclosure” means the release, transfer, provision of access to, or divulging in any other manner, of PHI, outside Contractor’s organization, i.e., to anyone other than its employees who have a need to know or have access to the PHI.

B. “Electronic Protected Health Information” or “EPHI” means protected health information (as defined below) that is transmitted, stored, or maintained by use of any electronic media. For purposes of this definition, “electronic media” includes, but is not limited to, memory devices in computers (hard drives); removable/transportable digital memory media (such as magnetic tape or disk, removable drive, optical disk, or digital memory card); the internet; the extranet; leased lines; dial-up lines; private networks; or e-mail.

C. Health Care Component means a Deschutes County department, office or division, that regularly provides healthcare services or that regularly creates, accesses, uses or maintains PHI, and that Deschutes County has designated as a HIPAA-covered component of the County.

D. “Protected Health Information” or “PHI” means information transmitted by or maintained in any form or medium, including demographic information collected from an individual, that (a) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; (b) individually identifies the individual or, with respect to which, there is a reasonable basis for believing that the information can be used to identify the individual; and (c) is received by Contractor from or on behalf of County, or is created by Contractor, or is made accessible to Contractor by County.

E. “Secretary” means the Secretary of the United States Department of Health and Human Services or any other officer or employee of the Department of Health and Human Services to whom the authority involved has been delegated.

   F. mitigate, as much as possible, any harmful effect of which it is aware of any use or disclosure of PHI in violation of this Agreement.
   
   G. promptly report to County any use or disclosure of PHI not permitted by this Agreement of which Contractor becomes aware.
   
   H. make its internal practices, books, and records (including the pertinent provisions of this Agreement) relating to the use and disclosure of PHI, available to the Secretary for the purposes of determining County's compliance with HIPAA.
   
   I. return to County, or destroy, any PHI of County still in Contractor’s possession upon conclusion or termination of the Services.
   
   J. ensure that any subcontractors that create, receive, maintain, or transmit PHI on behalf of the Contractor agree to the same restrictions, conditions, and requirements that apply to the Contractor with respect to security and privacy of such information.
   
   K. make PHI available to County as necessary to satisfy County's obligation with respect to individuals' requests for copies of their PHI, as well as make available PHI for amendments (and incorporate any amendments, if required) and accountings.
   
   L. make any amendment(s) to PHI in a designated record set as directed or agreed to by the County pursuant to 45 CFR 164.526, or take other measures as necessary to satisfy County's obligations under 45 CFR 164.526.
   
   M. to the extent the Contractor is to carry out one or more of County's obligation(s) under Subpart E of 45 CFR Part 164, comply with the requirements of Subpart E that apply to the County in the performance of such obligation(s).
   
   N. If Contractor (a) becomes legally compelled by law, process, or order of any court or governmental agency to disclose PHI, or (b) receives a request from the Secretary to inspect Contractor's books and records relating to the use and disclosure of PHI, Contractor, to the extent it is not legally prohibited from so doing, shall promptly notify County and cooperate with County in connection with any reasonable and appropriate action County deems necessary with respect to such PHI.
   
   O. If any part of Contractor’s performance of business functions involves creating, receiving, storing, maintaining, or transmitting EPHI:

      i. implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that it creates, receives, stores, maintains, or transmits on behalf of County, in accordance with the requirements of 45 CFR Part 160 and Part 164, Subparts A and C; and

      ii. report to County any security incident relating to the EPHI that Contractor maintains for County.
4. HIPAA DATA BREACH NOTIFICATION AND MITIGATION

A. Contractor agrees to implement reasonable systems for the discovery and prompt reporting of any "breach" of "unsecured PHI" as those terms are defined by 45 C.F.R. §164.402 (hereinafter a "HIPAA Breach"). The parties acknowledge and agree that 45 C.F.R. §164.404, as described below in this Section, governs the determination of the date of a HIPAA Breach. Contractor will, following the discovery of a HIPAA Breach, notify County immediately and in no event later than seven business days after Contractor discovers such HIPAA Breach, unless Contractor is prevented from doing so by 45 C.F.R. §164.412 concerning law enforcement investigations.

B. For purposes of reporting a HIPAA Breach to County, the discovery of a HIPAA Breach shall occur as of the first day on which such HIPAA Breach is known to the Contractor or, by exercising reasonable diligence, would have been known to the Contractor. Contractor will be considered to have had knowledge of a HIPAA Breach if the HIPAA Breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the HIPAA Breach) who is an employee, officer or other agent of the Contractor. No later than seven (7) business days following a HIPAA Breach, Contractor shall provide County with sufficient information to permit County to comply with the HIPAA Breach notification requirements set forth at 45 C.F.R. §164.400, et seq.

C. Specifically, if the following information is known to (or can be reasonably obtained by) Contractor, Contractor will provide County with: (i) contact information for individuals who were or who may have been impacted by the HIPAA Breach; (ii) a brief description of the circumstances of the HIPAA Breach, including its date and the date of discovery; (iii) a description of the types of unsecured PHI involved in the HIPAA Breach; (iv) a brief description of what the Contractor has done or is doing to investigate the HIPAA Breach, mitigate harm to the individual impacted by the HIPAA Breach, and protect against future HIPAA Breaches; and (v) a liaison (with contact information) so that Contractor may conduct further investigation concerning the HIPAA Breach. Following a HIPAA Breach, Contractor will have a continuing duty to inform County of new information learned by Contractor regarding the HIPAA Breach, including but not limited to the information described herein.

D. Data Breach Notification and Mitigation Under Other Laws. In addition to the requirements above, Contractor agrees to implement reasonable systems for the discovery and prompt reporting of any breach of individually identifiable information (including but not limited to PHI, and referred to hereinafter as "Individually Identifiable Information") that, if misused, disclosed, lost or stolen, Contractor believes would trigger an obligation under one or more State data breach notification laws (each a "State Breach") to notify the individuals who are the subject of the information.

E. Breach Indemnification. Contractor shall indemnify, defend and hold County harmless from and against any and all actual losses, liabilities, damages, costs and expenses (collectively, "Information Disclosure Claims") arising directly from (i) the use or disclosure of Individually Identifiable Information (including PHI) in violation of the terms of this Agreement or applicable law, and (ii) any HIPAA Breach of unsecured PHI and/or any State Breach of Individually Identifiable Information. Contractor will assume the defense of any Information Disclosure Claim; County may participate, at its expense, in the defense of such Information Disclosure Claim. Contractor shall not take any final action with respect to any Information Disclosure Claim without the prior written consent of County.

5. OTHER PROVISIONS

A. A breach under this Agreement shall be deemed to be a material default in Contractor’s agreement with Deschutes County to provide Services.

B. Contractor authorizes termination of this Agreement by County if County determines Contractor has violated a material term of this Agreement.

C. Upon conclusion or termination of the Services, Contractor shall promptly return or destroy all PHI that Contractor maintains in any form and retain no copies of such information. If the return or destruction of such PHI is not feasible, the obligations under this Agreement shall continue in effect for so long as Contractor retains such information, and any further use or disclosure of such PHI shall be limited to those purposes that make the return or destruction of the PHI infeasible.

D. To the extent there are any inconsistencies between this Agreement and the terms of any other agreement, either written or oral, between County and Contractor, the terms of this Agreement shall prevail.
E. Contact Information in the event of HIPAA Data Breach or Termination.

1) Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing, to Covered Entity or Business Associate at the address or number set forth below or to such other addresses or numbers as either Party may hereafter indicate in writing. Delivery may be by personal delivery, electronic mail, facsimile, or mailing the same, postage prepaid.

2) Any communication or notice by personal delivery shall be deemed delivered when actually given to the designated person or representative.

3) Any communication or notice sent by facsimile shall be deemed delivered when the transmitting machine generates receipt of the transmission. To be effective against County, such facsimile transmission shall be confirmed by telephone notice to the County Administrator.

4) Any communication or notice mailed shall be deemed delivered five (5) days after mailing. Any notice under this Agreement shall be mailed by first class postage or delivered as follows:
