AGENDA REQUEST AND STAFF REPORT

For Board Business Meeting of: April 27, 2016

DATE: April 13, 2016

FROM: Chris Doty Road Department Phone: 541.322.7105

TITLE OF AGENDA ITEM:

Consideration of Chair Signature of Document No. 2016-238, an Intergovernmental Agreement to establish the Oregon Association of County Engineers and Surveyors (OACES).

PUBLIC HEARING ON THIS DATE? No

BACKGROUND AND POLICY IMPLICATIONS:

The Oregon Association of County Engineers and Surveyors (OACES) has existed as an informal association and affiliate of the Association of Oregon Counties (AOC) for decades. The purpose of OACES is to promote public works activities, including the construction and maintenance of roads and appurtenances to recognized engineering standards in the counties; to promote the professional application of land surveying; to promote the ethical practices of the professions; and, by the exchange of ideas, give all counties in Oregon the advantages of these professions in all phases of county services.

Deschutes County has participated within OACES since the original inception and has significantly benefitted from the collaboration and advocacy of the group.

As a long-standing informal entity, OACES assets and general sophistication have evolved such that it is desirable to obtain a legal status in accordance with ORS 190.085. The AOC will continue to manage OACES assets.

An IGA and ratifying ordinance are necessary to provide the legal mechanism to establish OACES as a legal entity. A minimum of 10 counties must approve the IGA and ratifying ordinance to establish the entity. The goal of OACES is to obtain full participation of all 36 Oregon counties. Consideration of first reading of the Deschutes County Ordinance will be on May 11, with the second reading and adoption on May 25.

FISCAL IMPLICATIONS:

No impact beyond current OACES dues and participation levels of Road Department staff will be experienced.

RECOMMENDATION AND ACTION REQUESTED:

Move Chair signature of Document No. 2016-238 establishing the Oregon Association of County Engineers and Surveyors.

ATTENDANCE: Consent agenda, please.
