5. OTHER BUSINESS:

- Acting Chair Erik Kropp recognized the recent Safeway tragedy and the tremendous job by law enforcement and first responders. Ashley Beatty spoke about the Community Assistance Center, a partnership between Deschutes County Behavioral Health Services, St. Charles Health System, Deschutes County Victim Advocates and Bend La Pine Schools. The Assistance center was open all week following the tragedy. Support services were moved to the Stabilization Center over the weekend. They continue to work together for scheduled debriefings for staff members providing the service. The tri-county response team is working in the schools.
- Vice Chair Nick Lelack recognized that the community as a whole is grappling with what happened. Following the incident, he received a prompt call from Sara Crosswhite, 9-1-1 Director. He then notified the County Commissioners and reached out to City Manager Eric King. He commended the coordination efforts and collaboration amongst all law enforcement agencies and the health department.

- Erik Kropp shared that he has been the Interim Health Director while the search for a new one has been taking place. Janice Garceau, Deschutes County Behavioral Health Director has been offered (and accepted) the position of the new Deschutes County Health Director and she will start in her new role on October 1st.
- Erik recognized that an off-duty Deschutes County Sheriff's deputy, Ernie Brown, lost his life over the weekend in a tragic motorcycle accident in Junction City, Oregon. His name is Ernie Brown. William Bailey shared that Ernie will be transported back home tomorrow.
- Commissioner DeBone acknowledged the somber news our community is working through together. Erik Kropp added that the coordination and preparation is vitally important, and starts before the incident occurs.

ADJOURNMENT: There being no further discussion, Acting Chair Erik Kropp thanked everyone for attending and the meeting was adjourned at 3:55 p.m.
