Question 20 words which plainly phrases the chief purpose of the measure.

Shall Sisters School District issue \$33,800,000 in bonds to construct, renovate and improve facilities, address deferred maintenance? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Bonds are expected to finance capital costs, including:

- Improvements to, relocation of and provision of new technology infrastructure
- Improvements to, repurposing and provision of new fields & playgrounds

The District would establish a citizen oversight committee to ensure proceeds are used for purposes indicated.

Bonds would mature in not to exceed 20 years from issuance and may be issued in series.
