Question 20 words which plainly phrases the chief purpose of the measure.

Shall SPRD renew its \$0.15 per \$1,000 of assessed value to maintain programs/facilities, beginning 2023-2024, for five years? This measure renews the current local option taxes.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

In May 2018, voters approved a local option levy of \$0.15 per \$1,000 of assessed property value to support Sisters Park & Recreation District's programs and facilities which expires in June 2023. This measure will not increase current taxes and would renew the current levy for five years at the same rate approved in 2018.

Sisters Park & Recreation District would use funds to maintain programs and services, including programs for youth offered for children from preschool to high school; programs for adults of all ages, including seniors, that focus on health, fitness, and education; community events for all ages, and maintenance of skatepark, disc golf course, bike park, and community center.

The owner of a home assessed at \$255,000, the median assessed property value in Sisters Park & Recreation District, would pay less than \$3.19 per month or \$38.25 per year.

The rate renewal will raise approximately \$277,352, in 2023-2024, \$289,833, in 2024-2025, \$302,875 in 2025-2026, \$316,505 in 2026-2027, and \$330,748 in 2027-2028, for a total of \$1,517,313.
