Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The measure, if approved, would authorize Redmond Fire & Rescue ("the District") to levy taxes to support the annual cost of fire and emergency medical service. The measure would provide for a local option levy at a rate of \$0.75 per \$1,000 of taxable assessed value for five years, beginning July 1, 2024. For a home having an assessed value of \$200,000, the estimated annual cost would be \$150.00 per year or about \$12.50 per month.

Funds would be used to:

- Maintain and support paramedic-level response to all life-threatening medical emergencies.
- Support increasing demand for response to wildland and structural fires.
- Help the District keep pace with recent increases in call volume.

Total ESTIMATED revenue for each year of the levy:

\$3,604,000 in 2024-2025
\$3,712,000 in 2025-2026
\$3,823,500 in 2026-2027
\$3,938,500 in 2027-2028
\$4,056,500 in 2028-2029

The estimated tax cost for this measure is an ESTIMATE ONLY, based on the best information available from the county assessors at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
