Recording Label

Please leave a blank space 4 ¼" wide by 1 ¾" high for placement of our recording label on the first page of your document.

Our preference for this blank space is the upper or lower right corner of the first page of a document. If the required blank space is not available, our recording label will be placed on a certificate page and added to your document. An additional \$5.00 will be assessed for adding this certificate page.

Notes: A recording label will not be placed in the body of the document (excluding the title of the transaction).

A recording label may cover certificate language (or information reserved for Recorder's Use) included in your document.

A recording label may cover lines.
