

**SINGLE DWELLING AGREEMENT**

Property Address: \_\_\_\_\_

Property Description: Township \_\_\_\_\_ Range \_\_\_\_\_ Section \_\_\_\_\_ Tax Lot Number \_\_\_\_\_

I understand that Deschutes County only allows one single-family dwelling on my property.

In order to be in compliance with County Code, I understand that I must either remove the items listed below from the structure in question, remove the items from the structural drawings, or remove the structure from the property.

The structure shall be:

- Removed within \_\_\_\_\_ days.
- Converted to an approved accessory structure, to be used for: \_\_\_\_\_  
\_\_\_\_\_
- Structural drawings will be modified to exclude the items listed below so that the new dwelling does not have two kitchen/living areas

**I understand the following items must be removed from the structure (if second option above is chosen):**

- Range, stove and microwave
- Kitchen sink and garbage disposal (bar or utility sink is acceptable with permit)
- Dishwasher
- 220 wiring in the kitchen area (unless verifiable alternative need is documented)
- Bedroom closets (no doors or clothes bar allowed)
- Beds and/or sleeping unit

***By signing this form, the property owner also agrees to allow Deschutes County to do a follow-up inspection in approximately 90 days to ensure compliance with the above listed items.***
