Hi Kenna,

I briefly spoke with Commissioner DeBone regarding your meeting with him and your email below. Please know the best opportunity to request the County to conduct an update on the Tumalo Community Plan is through the Annual Work Plan process. The Planning Commission will conduct a hearing on the draft Planning Division work plan on Thursday, April 9 at 5:30 p.m. You are welcome to submit comments in writing, present comments at the public hearing, or both. The hearing is at the Deschutes Services Center, 1300 NW Wall St., Bend. The Planning Commission will make a recommendation to the Board of County Commissioners (BOCC). The BOCC will conduct a work session in May and a hearing in June on the work plan.

I am also interested in learning more about your proposed "official county committee on Tumalo RUC" (I assume that is Tumalo Rural Unincorporated Community) in terms of its purpose, authority, etc.

Thank you.

Tony,

Thank you again for taking time to listen to our concerns.

We look forward to hearing what you find out about an official county committee for Tumalo RUC and
If the County will print 200 maps of our boundary for us to hand out when we go to inform residents about our objective.
