

Meeting Date: August 3, 2015

Staff: Patrick Davenport

Type: Historic Landmarks Commission

Dept: CDD

Subject: Inventory of 50+ year old structures within City limits

Action Requested: Review subject inventory, discuss potential recommendations for preservation

Summary: City of Sisters staff will present an inventory of approximately 160 - 50+ year old structures located within the City limits. Staff requests the Commission provide recommendations on developing appropriate preservation options for suitable structures. One potential idea to reward preservation of these structures may be to offer a commemoration plaque for certain structures meeting various criteria. The Commission's recommendations will be forwarded to City Council with recommendations for future action.
