## **BUILDING OFFICE USE ONLY:**

#### Electrical:

Services 200 amps or less	Temp service 200 amps or less		
Services 201 - 400 amps	Temp services 201 - 400 amps		
Services 401 - 599 amps	Temp services 401 - 599 amps		
Services 600 amps	Temp services 600 amps		
Service reconnect only	Limited/Restricted energy		
Branch circuits with service/feeder each circuit	Renewable electric energy – 25 kva or less		
Branch circuits without service/feeder	Renewable electric energy – 26 through 30 kva		
Add'l branch circuits without service/feeder	Other:		

#### \*\*\*Mechanical:

Air handling unit of up to 10,000 cfm	Hydronic hot water system
Air handling unit 10,001 cfm and over	Fuel fired or electrical heat exchanger (used in hydronic heating system)
Appliance/equipment regulated by code, but not classified in other category	Mini split system
Appliance, vent installation, relocation or replacement not included in an appliance permit	Suspended heater, recessed wall heater or floor- mounted unit heater
Boiler/compressor/absorption system up to 3 HP or 100,000 BTU	Ventilation fan connected to single duct
Evaporative cooler other than portable	Ventilation system not a portion of heating or air- conditioning system authorized by permit
Furnace – greater than 100,000 BTU	Wood/pellet stove
Furnace – up to 100,000 BTU	Other fuel appliance
Gas fuel piping outlets	Other:
Heat pump	Other:
Hood served by mechanical exhaust, including ducts for hood	Other:

<sup>\*\*\*</sup>Most common mechanical fees. See mechanical fee schedule for complete list.

### Plumbing:

Sanitary sewer	Garbage disposal
Water Service	Hose bib
Backflow preventer	Sink/basin
Clothes Washer	Tub/shower/shower pan
Floor drain/floor sink/hub drain	Water closet
Alternate potable water heating system	Water heater
