

# Deschutes County Transportation System Plan

**2010 - 2030**

*Adopted by Ordinance 2012-005  
August 6, 2012  
By The Deschutes County Board of Commissioners*

# TABLE OF CONTENTS

**Executive Summary ..... 10**

## **Chapter One**

Introduction .....30

1.1 Geographic Setting.....30

1.2 Transportation Planning.....31

    Goal 12.....31

    Transportation Planning Rule (TPR).....31

    TPR Requirements for Deschutes County .....33

1.3 Major Changes Since the Adoption of the 1998 Plan.....35

    Regional Growth and Destination Resorts.....35

    Urban Growth and County Coordination.....36

    Public Transportation .....36

    Financial Impacts .....37

    State Transportation Changes .....37

1.4 Updating the Transportation System Plan .....38

    Review of Existing Plans, Policies and Standards .....39

    Population and Employment Forecasts.....40

    Determining Transportation Needs.....40

    Other Roadway Needs.....40

    Public Transportation Needs .....40

    Bikeway Needs.....41

    Pedestrian Needs.....41

    Transportation System Plan .....41

    Financing Plan.....41

## **Chapter Two**

Inventory and Background .....42

2.1 Existing Transportation Goals and Objectives .....42

    Deschutes County Comprehensive Plan.....42

    Deschutes County Major Roads Capital Improvement Plan .....43

    Deschutes County Pavement Management.....43

    Deschutes County Bicycle Master Plan .....43

    City of Bend Transportation System Plan.....47

    City of Bend Municipal Airport Master Plan.....48

    City of Redmond Transportation System Plan .....48

    Redmond Municipal Airport Master Plan.....50

    City of Sisters Transportation System Plan .....50

    Oregon Transportation Plan.....51

    Oregon Highway Plan.....51

Statewide Transportation Improvement Program .....	55
Oregon Aviation System Plan .....	59
Oregon Bicycle and Pedestrian Plan .....	59
2.2 Existing Transportation System and Current Needs .....	61
Existing Road System .....	61
Types of Roads in Deschutes County .....	61
Road System Configuration .....	63
Road Functional Classifications .....	64
Highways/Principals Arterials .....	66
Rural Arterials .....	71
Federal Forest Highways .....	75
Rural Collectors .....	76
Traffic Control Devices .....	79
Performance Standards .....	80
Traffic Volumes .....	85
Safety Analysis .....	87
Pavement Type/Condition .....	91
Road and Street Standards .....	92
Bridge Condition .....	94
Bicycle Facilities .....	94
Bikeway Maps .....	97
Typical Bikeway Design Standards .....	97
Pedestrian Sidewalks/Walkways .....	99
Public Transportation .....	99
Transportation Demand Management .....	105
Railroad .....	106
Motor Freight/Trucking .....	107
Air Transportation .....	107
Public-Use Airports .....	109
Private-Use Airports and Heliports .....	111
Waterborne Transportation .....	111
Pipeline Transportation .....	111
2.3 Existing Land Use, Population, Employment .....	112
Analysis of Existing Land Uses and Vacant Lands .....	112
Current Land Use Patterns .....	112
Unincorporated Communities .....	112
MUA-10 and RR-10 Exception Areas .....	115
Development Constraints .....	116
Other Development Areas .....	118
Population .....	118
Employment .....	119

## Chapter Three

Transportation Forecast.....	123
3.1 General Background.....	123
3.2 Traffic Forecast.....	124
Future Traffic Conditions.....	125
Deschutes County Roads .....	125
State Highways .....	128

## Chapter Four

Transportation Needs Analysis.....	132
4.1 General Overview.....	132
4.2 Public Involvement and Interagency Coordination.....	133
4.3 Transportation Issues Identified in TSP Update Process .....	138
Issues that Pertain to all of Deschutes County.....	138
US 97 Corridor .....	141
US 20 Corridor.....	147
OR 126 Corridor.....	151

## Chapter Five

Planned Improvements and Policies.....	153
5.1 Purpose of the Transportation System Plan.....	153
5.2 Coordination and Implementation of the Transportation System Plan.....	154
5.3 Arterial and Collector Road Plan .....	157
Road Network.....	157
Future State Highway Projects and Policies.....	164
County Roads.....	168
Access Management Policies .....	169
Functional Classification .....	170
Road and Street Standards .....	173
Road Management System .....	174
Performance Standards.....	175
Bridges.....	177
Truck Routes .....	177
Facility/Safety Improvements.....	178
5.4 Public Transportation Plan .....	180
5.5 Bikeway and Pedestrian Plan.....	181
Rural Bikeways .....	181
Rural Walkways.....	182
On-Road Route Selection.....	183
Off-Road Route Selection.....	183
Bike Facility Requirements.....	183

5.6 Airport Plan .....	187
Airport Overview .....	187
5.7 Rail Plan.....	190
Freight Rail Plan.....	191
Rail Passenger Plan .....	191
5.8 Water Plan .....	191
5.9 Pipeline Plan .....	192
5.10 Transportation System and Demand Management.....	192
Transportation System Management.....	192
Transportation Demand Management.....	193

## Chapter Six

Transportation Finance Plan.....	195
6.1 Current Funding Sources.....	195
6.2 Improvement Costs .....	196
6.3 Possible Funding Sources .....	197
State Highway Trust Fund.....	198
Local Gas Tax .....	198
Local Vehicle Registration Fee.....	199
Street Utility/Road User Fee.....	199
Aggregate Fee (Natural Resource Transportation Fee) .....	199
County Service Districts for Roads.....	199
Property Tax (Local Option Tax) .....	200
County Road Bonding Act.....	200
Exactions.....	200
Rural System Development Charge .....	200
Grants.....	201
Special Road Districts .....	201
Local Improvement District .....	201

## List of Tables

Deschutes County wishes to thank all the members of the public who freely gave their time at numerous evening open houses, meetings, and public hearings to ensure the County's transportation system accommodates all users and modes. Their comments, suggestions and observations have contributed to and improved this document. Deschutes County also acknowledges the professional assistance of the various committee members listed below.

## **Technical Advisory Committee**

Jim Bryant, Oregon Department of Transportation, Region 4  
Rod Cathcart, Oregon Department of Transportation, Region 4  
Tyler Deke, Bend Metropolitan Planning Organization  
Chris Doty, City of Redmond  
Steve Jorgensen, Bend Park and Recreation District  
George Kolb, Deschutes County Road Department  
Thanh Nguyen, Transportation and Planning Analysis Unit, Oregon Dept. of Transportation, Salem  
Eric Porter, City of Sisters  
Rick Root, City of Bend  
Wayne Sorenson, City of Redmond

## **Steering Committee**

Tom Blust, Deschutes County Road Department  
Mark DeVoney, Oregon Department of Transportation, Region 4  
Nick Lelack, Deschutes County Planning Division
