Oregon Senior and Disabled Citizen Program

New! You may now file between April 16 and Dec. 1, with a late filing fee. Disabled heirs may qualify without paying prior deferred tax debt.

This program is available to seniors who will be 62 or older by April 15, 2026. If you are not yet 62 but are receiving Federal Social Security Disability, you may qualify.

There have been significant changes to this program and there is an income limitation to qualify. Applications must be delivered to the Assessor's Office by April 15, 2026.

Under these programs, the State of Oregon pays taxes for you and places a lien on the property that accrues 6% interest annually. These amounts are deferred and are payable upon disqualification from the program.

If you are on or have applied for senior deferral and still have questions, please contact the Oregon Department of Revenue at (503) 945-8348 or (800) 356-4222.
