Intermittent and Seasonal Temporary Restaurant Operational Plan Review Application

An Operational Plan Review is required before an Intermittent or Seasonal Temporary Restaurant License is issued. The purpose of the Operational Plan Review is to ensure that the food managers and employees are trained and have the correct equipment available to prevent a foodborne illness outbreak. Refer to the Temporary Restaurant Operation Guide to help you develop your Operational Plan. <http://public.health.oregon.gov/HealthyEnvironments/FoodSafety/Documents/temprest08.pdf>

1. Identify the type of temporary restaurant that you are requesting to operate.

Intermittent Temporary Restaurant is a food operation at a specific location in connection with multiple public events having different oversight organizations, at least two events arranged by different organizations. Example: (Festival of Flags, Pole Pedal Paddle, and a concert – all within a 30-day period - Les Schwab Amphitheater). The location must remain the same and the menu is not altered. This license expires after 30 days.

Seasonal Temporary Restaurant is a food operation at a specific location in connection to an event arranged by one oversight organization. The location remains the same and the menu is not altered. Examples: Farmers market or Little League. This license expires after 90 days.
