*Includes people with vaccination series in progress or fully vaccinated.

Vaccination by Numbers

COVID-19 Vaccinations by Age Group

*Includes people with vaccination series in progress or fully vaccinated.

Is a COVID-19 vaccine booster recommended for me?

You should if you received **PFIZER** and:

65+

Long-term
care facility
resident

50–64, with
underlying
medical
conditions

You may if you received **PFIZER**,
are 18–64 years old and:

Underlying
medical
conditions

Increased
exposure and
transmission
risk*

*because of where you work or live, including teachers, grocery store employees, health care workers and people living in congregate care settings

Not at this time:

MODERNA

Booster doses are **not currently recommended** for the Moderna or Johnson & Johnson COVID-19 vaccines at this time. **This may change in October or November.**

**JOHNSON
& JOHNSON**

Note: It is recommended that **social determinants of vulnerability** be included in the assessment of medical conditions that qualify individuals for booster doses.

To learn more and to find booster doses, visit <https://govstatus.egov.com/or-oha-booster-covid-19-vaccine>.

Booster Dose Planning

- Evidence-based decision making
 - Online survey on booster doses, provided in English and Spanish
 - Over 17,000 community members completed the survey!
 - Asked about intent to get boosters, locations they'd be willing to go to receive a booster, preference for walk in vs. scheduled appointments, questions/comments, and more

TOTAL RESPONSES

17310

COMPLETION RATE

97%

TYPICAL TIME SPENT

Booster Dose Planning

- Key Insights

- Community members eager to receive boosters once eligible
- Open to a variety of locations to get their shots (doesn't need to be the same location where they received their last dose)
- Questions/comments submitted give us a sense of top concerns; able to prep COVID hotline staff accordingly
- Continuing to use data to inform strategic planning

where can I get a Pfizer booster dose?

Easiest & fastest:

- Pharmacies: www.vaccines.gov
- Your primary care physician

Limited availability:

- Deschutes County Health Services Vaccine Clinics

COVID-19 Vaccine Team

We also provide support for some community partners to vaccinate high risk populations like the following:

- Deschutes County Jail
- Long Term Care Facilities-staff and residents
- Homebound citizens
- Residential Drug & Alcohol treatment centers (Best Care)
- Shepherd's House

October Vaccine Events

First and second dose vaccinations. Limited booster doses available.

Sisters:

- Mondays from 1 to 5 p.m. @ Sisters Firehouse

Bend:

- Tuesdays from 4 to 7 p.m. @ Downtown Health Clinic
- Wednesdays from 1 to 5 p.m. @ Bend Downtown Library

Redmond:

- Thursdays from 9:30 a.m. to 12:30 p.m. @ Redmond City Hall

La Pine:

- Tuesdays from noon to 3 p.m. @ the La Pine Library
