and Johnson & Johnson vaccines available
- ✓ Third and booster doses
available to eligible individuals
- ✓ No appointment or insurance is needed

Children between the ages of 5 to 14 year olds must be accompanied by a parent or guardian. People 5-17 years old are only eligible to receive the Pfizer vaccine. Everyone age 12 and older can get a booster dose 5 months after their second dose of a Pfizer vaccine. Everyone 18 and older can get a booster 5 months after their second dose of a Moderna vaccine. This includes people who are immunocompromised and received a third dose of Pfizer or Moderna. Everyone 18 and older can get a booster dose 2 months after a Johnson & Johnson dose. Residents should bring vaccination records to the clinic if they have already received a COVID-19 vaccination.
