

Deschutes County  
GUIDELINES FOR PUMP-IN-STYLE  
PUMPS

- Baby must be 28 days old or older.  
If younger, mom can have manual pump or borrow a Lactina.
- Mom must be working half-time or more, going to school half-time or more, or live a long distance from work/school if less than half-time.
- Baby cannot be receiving formula from WIC at time pump is given (except a preemie getting Neosure).
- Mom understands that WIC expects that she will not ask for formula for 4 months after receiving pump.
