

Facility Photos

Front of DOC Pharmacy

Exterior with opportunity for signage.

DOC Pharmacy Lobby

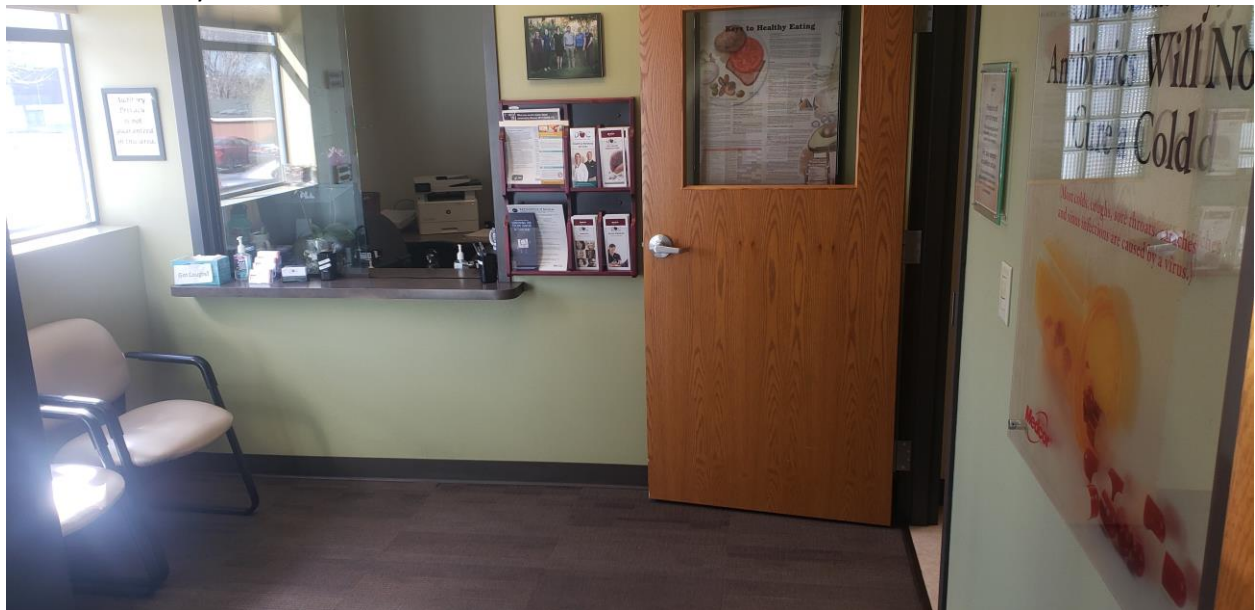

This is a photo of the DOC Pharmacy lobby taken from in front of the dispensing counter. To the left of the retail wall is a separate consultation/immunization room. Directly behind is a two station dispensing counter and a large pharmacy drug storage area behind a security door. Bathroom is located in the back of the secure drug storage area.

Front of DOC Clinic

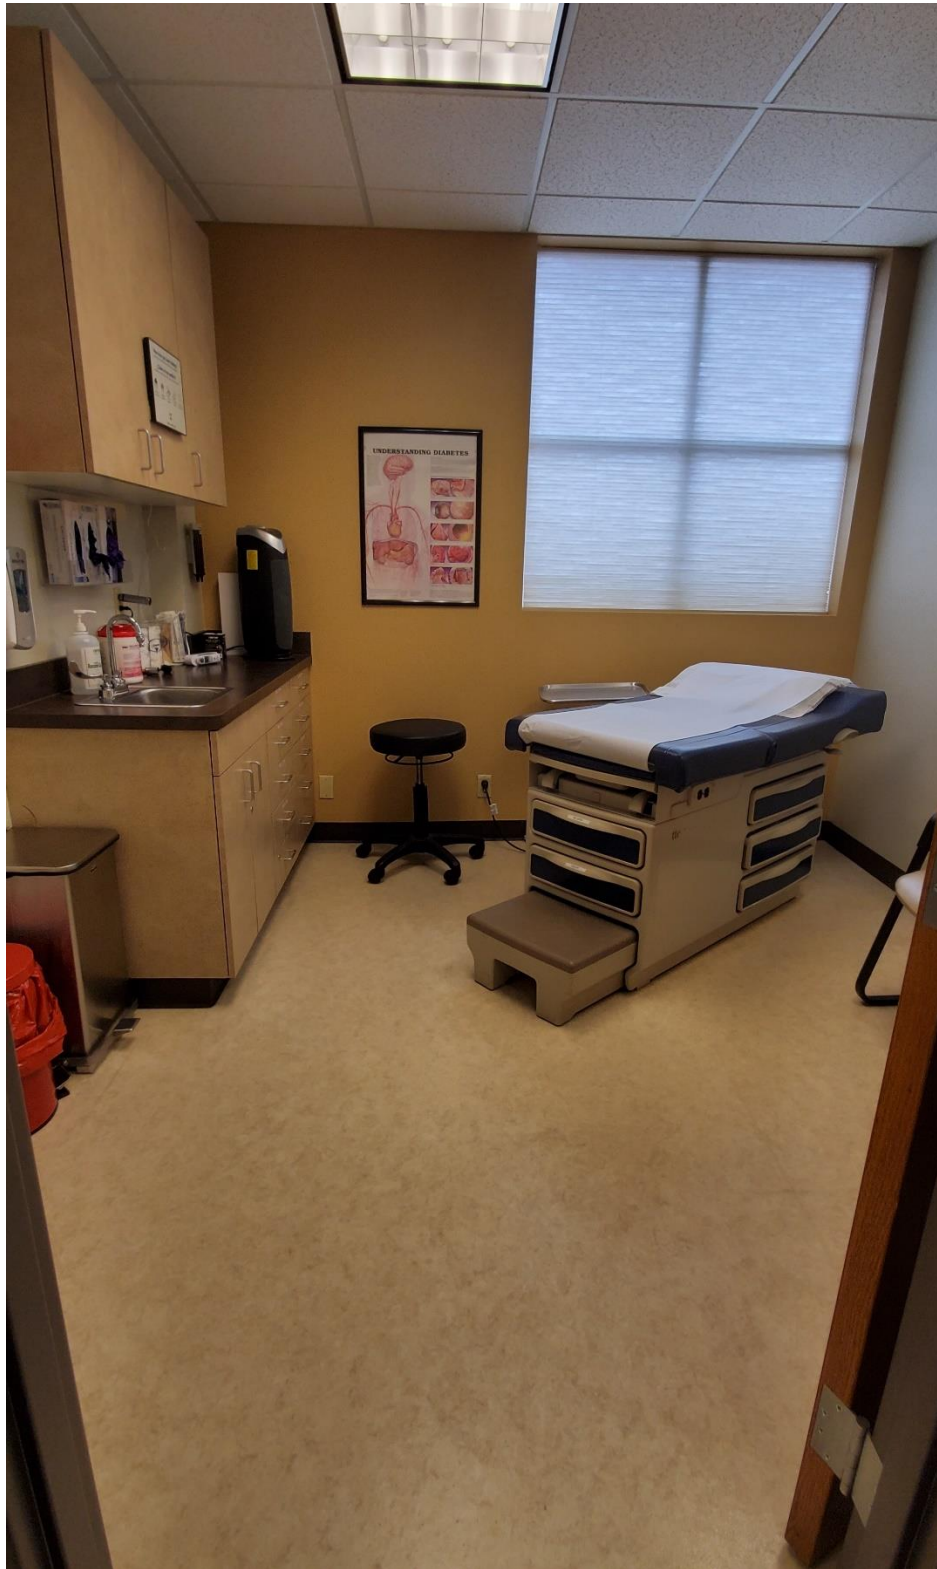

Exterior with opportunity for signage

DOC Clinic Lobby

Behind the front counter is a two person reception area with desk. To the right is the door to enter the clinic. The entrance has a small vestibule area for conducting health checks before entry.

DOC Clinic Exam Room #2

This is one of three exam rooms all similar in size. All exam rooms are equipped with patient tables, sinks, and supply storage typical of most medical offices.

DOC Clinic Lab

View of lab from door.

DOC Clinic Lab

Patient station in the lab.

DOC Clinic – Exam/Lab Hallway (north)

Hallway to 3 exam rooms and 1 small lab and bathroom.

DOC Clinic – Staff Offices and break area (west)

Hallway to staff offices and small break area. First left is the clinic nurse manager office with refrigerated storage and files. The second left is the practitioner office with two desk. A small break area at the end of the hall.

DOC Clinic – Staff Offices (west)

Entrance to clinic nurse manager’s office. Second door on left is entrance to practitioner office.
