PREAMBLE

This Agreement is made and entered into by and between Deschutes County (hereinafter the County) and the American Federation of State, County and Municipal Employees Council 75, (hereinafter the Union) for the purpose of fixing wages, hours, benefits, and employment relations as defined by ORS 243.650(7) and the Employment Relations Board.

It is also the purpose of this Agreement to promote the mutual interests of the County and its employees and to provide for the operation of the County's business under methods which will further, to the fullest extent possible, the safety of the employees, economy and efficiency of operation, elimination of waste, realization of maximum quantity and quality of output, cleanliness, protection of property and avoidance of interruptions to production. The parties will cooperate fully to secure the advancement and achievement of these purposes.

ARTICLE 1 – RECOGNITION

Section 1

The County recognizes the Union as the sole and exclusive bargaining agent for all employees of Deschutes County, excluding supervisory and confidential employees, temporary employees, employees who work less than half-time and employees included in other bargaining units. For the purposes of the Collective Bargaining Agreement between the parties, County employees of the OSU Extension Service shall be considered employees of Deschutes County and all terms and conditions of this Agreement shall apply.

Section 2

If the County establishes a new classification included in the bargaining unit or reclassifies an existing bargaining unit position, the County shall notify the Union in writing in a timely manner.

ARTICLE 2 – UNION SECURITY

Section 1

The Union shall notify the County in writing of its staff representative of the Local, Council 75, or International, American Federation of State, County and Municipal Employees, AFL-CIO. Upon proper introduction and notice, the representative shall have reasonable access to the premises of the County during all working hours to conduct Union business. These representatives shall observe any security regulations of the County. Such visits shall not interfere with the normal flow of work.

Section 2

Unless otherwise provided in the Agreement, the internal business of the Union shall be conducted by the employees during non-duty time, and to the extent practicable in break rooms, lunch rooms and non-duty areas.

Section 3

- A. The Union shall notify the County of the selection of the Officers, Stewards and their alternates.
- B. The Union may appoint a Steward or Stewards. Activities by a Union Steward shall not interfere with his/her normal duties or the performance of the normal duties of other employees. The Steward shall be a regular full- or part-time employee, who shall in addition to his/her regular assigned work, perform the duties set forth herein, as long as such duties may be accomplished without the disruption or interference with the work of others.
- C. The Steward shall bring attention to the County and the Union of any alleged infraction of the terms and conditions of the Agreement.

- D. The Steward shall make a good faith effort to resolve individual employee grievances as they may arise by working in cooperation with the employee and his/her supervisor and program manager.
- E. A Steward or Union Officer who represents a grievant at a meeting called by management to discuss a grievance pursuant to Article 7, or at a pre-disciplinary hearing pursuant to Article 6, shall be permitted to be present without loss of pay, following reasonable notice to his/her supervisor and Department Head. One (1) representational Steward or Union Officer shall be permitted to be present without loss of pay. To help minimize departmental impact, a Steward or Union Officer working in the department where the grievant or subject of discipline is employed shall be utilized. If there is no Steward or Union Officer in the department, a Steward from a different department may be utilized, if the express written permission of the Department Head of such other department is granted. Such permission may be withheld by the Department Head in the Department Head's sole discretion. The participation of a Steward or Union Officer in a grievance or disciplinary proceeding shall not relieve the Steward or Union Officer of responsibility for meeting all performance standards and requirements relevant to their position.
- F. The County shall allow the Union up to the combined total of 50 hours (maximum) of paid time for appointed bargaining team members to bargain a successor contract to this Agreement.

Section 4

The County agrees to provide bulletin board space for each work site where Union members regularly perform work for the County to be used exclusively by the Union for the posting of official Union notices. The Union agrees that it will not post material that is profane, obscene or defamatory of the County.

Section 5

- A. The County agrees to deduct monthly membership dues from the pay of those individuals who request deductions in writing. The amount to be deducted shall be certified to the County by the treasurer of the Union, and the aggregate deduction shall be remitted monthly, together with an itemized statement, to the treasurer of the Union.
- B. Articles 2 and 29 of the Agreement may be re-opened upon written demand by the Union to bargain whether, and under what terms, a fair share agreement as defined under ORS 243.650(10) and as otherwise governed by Oregon law may be incorporated into the Agreement. No other articles or sections of the Agreement will be re-opened during the term of the Agreement unless otherwise agreed in writing by the parties. Notwithstanding the provisions of ORS 243.698, the parties agree Articles 2 and 29 may be re-opened only if the following conditions are met:
 - 1. A written demand by the Union under this subsection must be received by the County between January 1 and January 31, 2015. If such demand is not timely received by the County, the Union waives its right to re-open Articles 2 and 29, and the County's obligations under this Subsection will expire.
 - 2. Should Articles 2 and 29 be re-opened and should bargaining under this Subsection commence, such bargaining shall not, without the consent of the parties and provided the parties have negotiated in good faith, continue past March 31, 2015. Should the parties fail to agree on whether, and under what terms, a fair share agreement may be incorporated into the Agreement by March 31, 2015, the status quo existing on these issues prior to this Agreement shall continue.

Section 6

The County shall furnish to the Union, monthly, a list of the names, classifications, departments and home addresses of new employees in the bargaining unit. The County shall furnish the Union with a monthly listing of employees who have terminated from the bargaining unit during the previous month.

Section 7

Upon request and approval the Union shall be allowed the use of meeting rooms of the County for meetings when such meeting rooms are available and the meeting would not interfere with the business of the County.

Section 8

The County agrees to inform all new bargaining unit employees of the Union's exclusive representation status, to provide equivalent information on the County website on enrollment and disenrollment from Union membership, and upon request provide a copy of the Agreement.

ARTICLE 3 – MANAGEMENT RIGHTS

Section 1

The County retains all the customary, usual and exclusive rights, decision-making prerogatives, functions, and authority connected with, or in any way incident to its responsibility to manage the affairs of the County and its departments. The County shall have no obligation to bargain with AFSCME with respect to any such subjects or the exercise of its discretion and decision-making with regard thereto. The express provisions of this Agreement constitute the only limitations on the rights of the County to manage the business and affairs of the County. The rights of employees are limited to those specifically limited by the terms of this Agreement. Section 3

Any of the rights, powers, authority and function of the County had prior to the negotiation of this Agreement are retained by the County and the expressed provisions of this Agreement constitute the only limitations on the rights of the County to manage the business of the County. Should the County not exercise the rights, powers, authority and functions reserved to them, or should they exercise them in a particular way, such conduct shall not be deemed a waiver of said rights, powers, authority and functions by the County, nor shall such conduct be deemed or considered a waiver of their right to exercise them in some other way not in conflict with a specific provision of this Agreement. Any agreement between the County and the Union that is not reduced to writing and signed by both parties shall be deemed to have not existed.

If an employee's performance is not satisfactory, he/she shall be given notice of the areas of his/her deficiencies. An employee shall advance to the next step of his/her pay grade upon satisfactory completion of his/her probationary period and has received an overall "effective, meets standards" or better performance evaluation. (Please see Article 8, Section 3(B) for timelines).

Section 4

Any employee who is terminated during his/her probationary period shall be given written notice of their termination.

Section 2

Discipline shall consist of one of the following:

1. Oral warning
2. Written reprimand
3. Suspension without pay
4. Demotion
5. Discharge

Section 3

Disciplinary action shall be accomplished in a manner which affords the employee the most protection possible from embarrassment before other employees and the public.

Section 4

When the County intends to take disciplinary action involving suspension without pay, demotion or discharge, the County shall notify the employee and the Union in writing of the charges against the employee and the proposed disciplinary action and shall provide the employee with the opportunity to respond to the charges at a hearing with the supervisor or person having authority to impose the proposed disciplinary action.

ARTICLE 7 – GRIEVANCE PROCEDURE

Section 1

The County will promptly consider and respond to employee grievances. The County and the Union prefer to correct the causes of grievances informally and encourages both supervisors and employees to resolve problems as they arise.

- B. A day is defined as a calendar day.
- C. An employee, at his or her discretion may elect to be represented by the Union at any step of the grievance procedure.
- D. Oral warnings are not subject to the grievance procedure.
- E. Performance evaluations can only be grieved through Step II of the grievance procedure.
- F. Written reprimands can only be grieved through Step III of the grievance procedure.
- G. In an effort to provide for resolution of disputes, the parties agree to the following procedures:

Step I: Any employee claiming a breach of any specific provision of this Agreement (“grievant”) shall refer the matter, in writing, to their immediate supervisor outside the bargaining unit within fifteen (15) days from the occurrence of the alleged breach. The grievance shall, at minimum, contain the following:

- Specific Article and Section of the Agreement alleged to have been violated.
- Alleged harm to the grievant.
- An explanation of the facts and issues related to the grievance.
- The specified remedy requested.
- The signature of the grievant or grievants.

The supervisor shall respond to the grievance in writing as quickly as possible, but no later than fifteen (15) days after the grievance is received by the supervisor.

Step II. If the grievance is not fully settled at Step I, it shall, in detail, be reduced to writing, dated, signed by the grievant or grievants, and presented by the grievant or grievants, to the Department Head within fifteen (15) calendar days after the supervisor’s response is given, not including the date of the response. The Department Head shall respond in writing to the grievance within fifteen (15) calendar days of the date of the presentation of the written grievance, not including the date of presentation. The Step II grievance shall be consistent with the Step I grievance unless the grievant(s) can demonstrate that new information or evidence pertinent to the grievance was not available or discoverable at Step I.

Step III. If the grievance is not settled at Step II, the written grievance shall be presented by the grievant or grievants, along with all pertinent correspondence, records and information, to

the County Administrator within fifteen (15) calendar days after the Department Head's response is given, not including the date of the response. The County Administrator may meet with the grievant or grievants, the immediate supervisor, and the Department Head. The County Administrator shall respond to the grievance in writing within fifteen (15) calendar days after the date of presentation of the written grievance, not including the date of presentation. The Step III grievance shall be consistent with the Step I grievance unless the grievant(s) can demonstrate that new information or evidence pertinent to the grievance was not available or discoverable at previous steps.

Step IV. If the grievance of a suspension without pay, demotion, discharge, or loss of a property right is not settled at Step III, the grievance shall be submitted in writing to the Board of County Commissioners within fifteen (15) calendar days after the County Administrator's response is given, not including the date of the response. If the grievance relates to the suspension without pay, demotion, discharge, or loss of property right of an employee, the Board will hold a hearing if requested by the Union before issuing a response. If a hearing is not requested by the Union, the Board, at the Board's discretion, may hold a hearing before issuing a response. If an employee has been suspended without pay, demoted, discharged, or suffered a property right loss, a representative from AFSCME shall be allowed to take part in the hearing before the Board, and allowed to make comments and recommendations to the Board. The decision of the Board shall be final and binding. However, either the Board or the Union may request advisory arbitration prior to the Board hearing. The Step IV grievance shall be consistent with the Step I grievance unless the grievant(s) can demonstrate that new information or evidence pertinent to the grievance was not available or discoverable at previous steps.

Section 2

If the grievance procedures established by this Section are not signed by the grievant or grievants and initiated within the required time limits, the grievance shall be considered not to have existed.

Section 3

If the County fails to respond to any grievance within the time limit prescribed for such response, the grievance shall automatically advance to the next step.

Section 4

The time limits for the initiation and completion of the steps of the grievance procedure may be extended by mutual consent of the parties involved. Mutual consent should be indicated in writing, and signed by all parties involved.

Section 5

No employee can be disciplined or discriminated against in any way because of the employee's use of the grievance procedure.

If hired on the 16th of the month through the end of the month – the performance evaluation will be completed by the end of the following month and will be effective retroactive to the first of the month. Annual merit increases shall not be withheld unless an employee’s overall performance as stated on the evaluation form is “unsatisfactory”. Such persons shall be proficient in the needed second language or in sign language. It shall be at the sole discretion of the County to select persons for bilingual compensation and to decrease or eliminate the compensation should the County determine the need for translation no longer exists. Nothing in this Agreement shall preclude the County from using persons other than those designated for second language communication.

The County retains the right and total discretion to choose the positions to which the additional compensation is granted, and to determine such test or other certification process that must be successfully completed for an employee to qualify as bilingual for purposes of this Section.

Section 6

Shift differential pay of \$.75 per hour shall be paid to employees who work a full graveyard shift (currently scheduled as midnight to 8:00 a.m.). Shift differential pay is for eight (8) hours only. If eligible, the employee will receive overtime pay based on regular rate of pay.

- D. Work schedules shall be determined by the Department Head, subject to approval by the County Administrator.

Section 3

Established regular work schedules will not be changed with less than ten (10) working days advance notice, unless the operating needs of the County require it or an employee voluntarily agrees to the change and an earlier implementation date.

Section 4

Sick leave hours will not count as hours worked in overtime calculation. The specific application of this section shall be governed by Deschutes County Policy No. HR-04 Overtime Compensation and Compensatory Time. The County shall not modify the version of Policy No. HR-04 in place when this contract takes effect without first providing the Union with at least 14 days prior written notice and an opportunity to bargain the modification. Upon timely demand the County and the Union shall bargain the modification. Failure by the Union to demand to bargain within such 14 days shall be deemed a waiver of the opportunity to bargain the modification.

Section 2

By mutual agreement, a non-exempt employee may receive compensatory time off at the rate of one and one-half (1 ½) hours for each overtime hour worked in accordance with Section 1. Compensatory time accrual shall not exceed 80 hours.

The additional compensation shall be retroactive to the first day of the assignment.

Section 2

When an employee is directed and authorized in writing by the Department Head/supervisor to perform lead work functions defined as follows:

Requests for reclassification review must be made through the employee's Department Head. In the event a reclassification is approved by the County Administrator (per Deschutes County Code 3.04.040, Section C), it will be retroactive to the 1st of the month following the day the reclassification request was presented by the Department Head to Personnel in writing.

In recognition of length of service, the senior employee shall have preference if all the foregoing factors are equal in the sole judgment of the County. The County shall make every effort to transfer laid off employees into any vacant position for which they are qualified. Employees shall be notified of layoff at least thirty days in advance of lay off.

Section 2

The choice of reverting to a 5/8 schedule or using accrued leave shall be approved in advance by the supervisor or Department Head.

All part time employees (half time or more) shall be compensated at the straight time rate on a prorated basis (based on an 8-hour work day) for each recognized holiday.

Section 3

Work performed by non-exempt employees on holidays which fall within the regular work schedule shall be considered as overtime work, and the employees who work on such holidays will be granted time off or compensation pay on the basis of time-and-one-half for the hours worked in addition to their regular holiday pay.

Section 4

Full and part time employees who have recognized holidays falling on their days off will be credited with straight time off for these holidays in a "holiday leave bank", or have the holiday paid as additional hours if mutually agreed on between the employee and Department Head. Holiday leave bank accounts shall not exceed 60 hours.

Section 5

The floating holidays can be used any time during the calendar year by mutual consent between the employee and the supervisor or Department Head. New employees shall be employed six (6) months before they are eligible for the floating holiday. Floating holidays cannot be carried over from year to year. Employees will not receive pay at the time of termination of employment for any unused floating holiday.

ARTICLE 18 – TIME MANAGEMENT

The specific application of this section will be governed by the Time Management Program. (Appendix A of this Agreement).

Section 5

Department Heads shall establish staffing schedules to provide for requested leave for employees, and employees are to take leave at the time scheduled. A record of time taken shall be kept on file in the department. Such schedules may be amended to meet work emergencies.
