Redmond Area Park & Recreation

Measure No: 9-126

Caption: BONDS TO CONSTRUCT NEW COMMUNITY RECREATIONAL FACILITY TO EXPAND PROGRAMS

Question: Shall Redmond Area Park & Recreation District, construct recreational facility, acquire land to expand programs by issuing \$40,000,000 in bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If approved, general obligation bonds are expected to finance acquisition of land and construction of a new recreational facility anticipated to include:

- Pools for swimming lessons, aquatic exercise classes, therapy, recreation and lap swimming
- Gymnasium for multipurpose programming use
- Indoor walking/jogging track
- Exercise facilities and equipment
- Group fitness room(s)
- Classroom and meeting space for recreation programming, events and meetings
- Administrative and support spaces including locker rooms, lobby and office space
- Other amenities
- Site improvements, demolition, furnishings, equipment and bond issuance costs

The District would establish a citizen oversight committee to ensure proceeds are used for purposes indicated.

Bonds would mature in not to exceed 20 years from issuance. Estimated tax rate is \$0.55 per \$1,000 of assessed property value. Estimated tax cost for this measure is an ESTIMATE ONLY, based on the best information available from the county assessor at the time of the estimate. Actual levy rate may differ due to changes in interest rates at the time of bond issuance and/or future changes in assessed valuations.

Measure No: 9-127

Caption: FIVE-YEAR OPERATING LEVY FOR PARK AND RECREATION

Question: Shall the District impose \$0.19 per \$1,000 of assessed value for operations for five years beginning in fiscal 2019-20? This measure may cause property taxes to increase more than three percent.

Summary: The measure, if approved, would authorize the Redmond Area Park and Recreation District to levy taxes to support the annual operating costs for existing services, support the operation of District facilities and to expand programs for the citizens of the District. The measure would provide for a local option operating levy at a rate not to exceed \$0.19 cents per \$1,000 of taxable assessed value within the District for five years, beginning July 1, 2019. The proposed rate will raise approximately \$777,056 in 2019-20; \$800,368 in 2020-21; \$824,379 in 2021-22; \$849,110 in 2022-23; and, \$874,583 in 2023-24 for a total of \$4,125,496.

The estimated tax cost for this measure is an ESTIMATE ONLY, based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate.
